REPORT on CDE program: "TADS in Orthodontics – Current Concepts"

The Department of Orthodontics organized a CDE program for MDS (Orthodontics) students on October 25th, 2023, focusing on the topic "TADs in Orthodontics – Current Concepts." The lecture was presented by Dr. Meenakshi Balakrishnan, an international speaker with 18 years of experience as a private practitioner in Downers Grove, Chicago. She is also a visiting lecturer at the University of Illinois, Chicago.

During the session, Dr. Balakrishnan provided a detailed and insightful presentation on the use of Temporary Anchorage Devices (TADs) in orthodontic treatment. The lecture included a series of case reports, offering practical insights into the clinical applications of TADs and their role in contemporary orthodontic practice.

The CDE program was attended by 25 postgraduate students, including both current MDS students and alumni from RV Dental College. The session was well-received, with active participation and engagement from the attendees.

Report on CDE Program: Orthodontic Biomechanics

The Department of Orthodontics and Dentofacial Orthopaedics at D.A.P.M. RV Dental College conducted a CDE program, featuring a series of lectures by Dr. Nanda Kumar. This program focused on **Orthodontic Biomechanics**, covering essential principles of biomechanics and their clinical applications in orthodontics.

The program began with a series of **three online sessions**, held on **November 6th, 9th, and 19th, 2023**. These sessions provided participants with an in-depth understanding of the fundamental mechanics of tooth movement and orthodontic force systems, the basics of tooth movement mechanics and the forces involved in orthodontic treatment, An overview of various orthodontic force systems and their clinical applications.

The **offline lecture on December 30th, 2023**, provided a more interactive experience. In this session he provided insights into the role of biomechanics in treatment planning and achieving optimal clinical outcomes, showed treated cases, provided practical examples of how biomechanical principles are applied in clinical practice. The session allowed participants to discuss specific challenges and solutions in orthodontic biomechanics.

Around 35 MDS students participated in this CDE program, including postgraduate students from RV Dental College and V.S. Dental College. The program was highly engaging and provided valuable educational insights into the biomechanics that underpin successful orthodontic treatments.

Sub: Report on Jagriti - Foundational Course for Clinical Care - A value added course conducted from 27th January 2024 to 1st February 2024

Respected Sir,

The program "Jagriti - Foundational Course for clinical care, A value Added Course was conducted from 27th January 2024 to 1st February 2024. The Course was followed by the White Coat Ceremony on 1st February 2024 from 2.00pm to 4.00pm in the 2nd Floor Auditorium.

We wish to thank you for supporting the Health Professional Unit in successfully conducting this program. A total of 57 Undergraduate students and 30 PG students benefited from the workshops.

The "Jagriti - Foundational Course for clinical care" program aims towards capacity building of our undergraduate students as they enter the clinics. This year too, the Jagriti program trained the students in various important skills through Workshops on Ethics and Professionalism, Sterilization & Infection Control Practices, Prescription Writing and Communication Skills.

The feedback and evaluation received from the undergraduate students indicate that the workshops were successful in instilling the core values of professionalism, skills of communication, fundamentals of sterilization and infection control practices and prescribing medications to patients. The 3.5 day program concluded with the White Coat Ceremony where students expressed their feedback on the training received and took the Hippocratic oath.

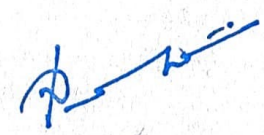

The detailed reports of the workshops are attached along with the relevant photographs. We once again thank you for your constant support for the activities of the Health Professional Education Unit.

Yours Sincerely

Dr Deepti Vadavi
HPEU Committee Head

The Prescription Writing Workshop was planned as a part of "Jagruti – Foundational Workshop for Clinical Care". The idea was a brainchild of Dr. Jyotsna, taken forward by Dr Deepti Vadavi and the resource people were Dr. Deepak S, Dr. Sahana M S and Dr. Subhash B V and Dr Priyanka T S being the Co-ordinator for the same.

A manual and pre-recorded video was prepared including all components intended to be covered in the workshop and was sent to the students prior to the workshop. A newspaper article on antibiotic resistance was also sent to the patients. 10 case scenarios were designed to present the students with real life situations. The students were divided into 10 groups. They had to write prescriptions and a self-appointed group leader had to present the same. The resource person then discussed the nuances in prescription writing.

Student Feedback showed:

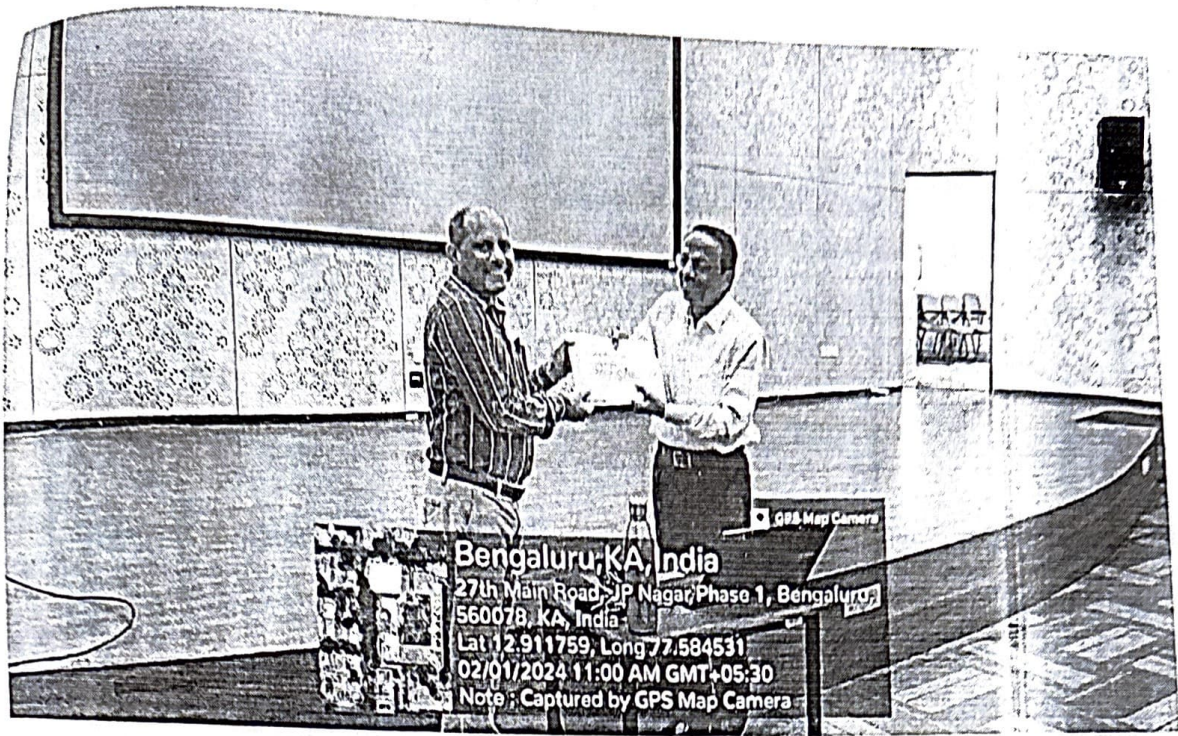

1. Almost all of the students rated the useful of the program as a 10, with 1 being least useful and 10 being most useful.
2. In answer to the question on what about the module impressed them, they said:
 - a. The Practical implications of Pharmacology knowledge.
 - b. Instructions on the correct dosages of the drugs
 - c. Factors which affect the drugs prescribed in different situations.
 - d. Interactive and Thought-provoking sessions based on case scenarios.
 - e. Intense Knowledge received.
3. To the question on what was learnt which was application based, they answered:
 - a. Clinical application of Pharmacology.
 - b. Format of prescription writing.
 - c. Do's and don'ts while prescribing various medications.
 - d. What to prescribe pre-operatively, post-operatively and in an emergency.
 - e. Indications, contra-indications, precautions and dosing of drugs.
 - f. Drug synergisms and antagonisms.
 - g. Special needs of patients and Analyzing the situations.
 - h. How to give instructions to the patient and Hierarchy of prescribing drugs.
 - i. Emergency drugs, dosages and handling such emergency situations effectively.

D A PANDU MEMORIAL RV DENTAL COLLEGE, BANGALORE

DEPT OF ORAL MEDICINE AND RADIOLOGY

The department of Oral Medicine and Radiology D A Pandu Memorial R V Dental College, Bangalore organized a workshop title "Training Workshop on Tobacco Deaddiction Therapies" on 21st March 2024.

Title: "Training Workshop on Tobacco Deaddiction Therapies"

Venue: 2nd Floor Auditorium, D A Pandu Memorial R V Dental College, Bangalore

Date: 21st March 2024.

Guest Speaker : Dr Nilam Gada

Duration : 10am to 1pm

Program Details:

On the 21st of March 2024, the Department of Oral Medicine and Radiology at D A Pandu Memorial R V Dental College, Bangalore, organized a significant workshop titled "Training Workshop on Tobacco Deaddiction Therapies." The workshop aimed to address the critical issue of tobacco addiction and equip attendees with knowledge and skills necessary for effective tobacco deaddiction therapies. The workshop commenced promptly at 10:00 am in the 2nd Floor Auditorium of the dental college. It began with an introduction by the organizing committee, outlining the objectives of the workshop and its importance in combating tobacco addiction.

Dr Priyanka (PG, Dept of OMDR) gave the invocation song and Dr Devopratim Biswas (PG, Dept of OMDR) was the moderator for the session.

Dr Nilam Gada's presentation shed light on the detrimental effects of tobacco on oral health, emphasizing the urgency for intervention. She elaborated on pharmacological interventions, discussing various medications and their efficacy in aiding tobacco cessation. She focused on behavioral therapies, emphasizing the importance of counseling and support systems in overcoming addiction.

The Training Workshop on Tobacco Deaddiction Therapies was a huge success, providing attendees with comprehensive knowledge and resources to combat tobacco addiction effectively. The collaborative efforts of the Department of Oral Medicine and Radiology, along with esteemed speakers, contributed to the workshop's success in raising awareness and promoting strategies for tobacco cessation.

Subject: 'Say No To Bleeding Gums' Drive A Pink Health Initiative Celebrations from 1st February to 20th March 2024.

Respected Sir,

We are planning to celebrate 'No Bleeding Gums' Drive from 1st February to 20th March 2024 in association with Indian Society of Periodontology (ISP), our college is one among the 100 colleges which are a part of this drive. This event is spread over 2 months starting from 1st February and culminates on 20th March 2024.

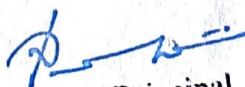

This drive will have the following programs planned-

- A. Screening of Patients
- B. 23rd Feb- Periodontist Day
- C. 8th March - International Women's Day
- D. 20th March- World Oral Hygiene Day

Wherein we will do other activities as well involving students and other departments.

The details of the activity shall flow as under:

1. The college shall observe 'No Bleeding Gums' drive from 1st February to 20th March. This will entail general checkup and patient education using education leaflets and tooth paste sample distribution provided by the head office of ISP. All these will be documented through photograph and uploaded to a common platform, link of which would be provided. Target would be screening and education of 700 patients in 50 days.
2. The third week of February shall be focused on the 'Women Check ups' and alongside message of oral care with special focus during pregnancy.
3. 23rd Feb shall be celebrated as 'Periodontist Day' engaging the Interns with various competitive fun activities. (ISP Head office shall provide the colleges with some small gifts for the winners).
4. 20th March week shall be the culminating week with varied activities in the college and surrounding public places.
