Respected Sir,

Sub: Report on oral health screening camp for early detection of oral precancer and cancer at Gulbarga colony, Bengaluru on 29<sup>th</sup> August 2023

As discussed, I am glad to inform you about the oral health screening camp being conducted at Gulbarga colony, Bengaluru on 29<sup>th</sup> August 2023 from 10.00am to 1.00pm. During this program, our team could screen forty (40) individuals of Gulbarga colony for oral health and tobacco related oral lesions suggesting oral precancer and cancer. Out of 40, 17 were found to be associated with tobacco consumption; these individuals have been advised about ill effects of tobacco usage and were encouraged to slowly discontinue the habit. All the 40 screened individuals have been given necessary tips for adequate maintenance of oral health and also have been advised relevant treatment options for their oral ailments. Further, around 10 screened individuals have been referred to our hospital for their treatment.

Considering the availability of working population, an extended screening program has been scheduled on 30<sup>th</sup> August 2023 from 5.00pm to 6.30pm at the same place; An update on this will be provided.

Thanking you for your continued support.

Yours Sincerely

  
(Dr Madhura M G)

Respected Sir,

Sub: Report on oral health screening camp (Day 2) for early detection of oral precancer and cancer at Gulbarga colony, Bengaluru on 30<sup>th</sup> August 2023

Please be informed that the oral health screening camp was conducted at Gulbarga colony, Bengaluru on 30<sup>th</sup> August 2023 (Day 2) from 5.00pm to 7.00pm. During this program, our team could screen around 30 individuals of Gulbarga colony for oral health and tobacco related oral lesions suggesting oral precancer and cancer. Out of 30, 19 were found to be associated with tobacco consumption; these individuals have been advised about ill effects of tobacco usage and were encouraged to slowly discontinue the habit. All the 30 screened individuals have been given necessary tips for adequate maintenance of oral health and also have been advised relevant treatment options for their oral ailments. Further, around 12 screened individuals have been referred to our hospital for their treatment.

Please be informed that during 2 day camp (29<sup>th</sup> & 30<sup>th</sup> August 2023) at Gulbarga colony, a total of 70 individuals have been screened- out of which 36 were found to have some form of tobacco habit and more than 10 with obvious white and red lesions suggestive of oral precancer. Further, 22 camp participants have been referred to our hospital for various dental needs.

Also, please find few sample photos taken during camp for your perusal.

In addition, our team acknowledges the sponsorship of the products (Shy NM) provided by the Group Pharmaceuticals Pvt. Ltd towards this community outreach program.

Thanking you for your continued support.

Yours Sincerely

Respected Sir,

Sub: Update on community outreach program conducted at SVYASA campus,  
Anekal Jigani on 5<sup>th</sup> June 2023

As discussed, I am glad to inform you about the oral health screening camp being conducted at SVYASA campus, Anekal Jigani on 5<sup>th</sup> June 2023 from 11.00am to 4.00pm. During this program, I could screen thirty three (33) individuals (staff, students and group D workers) of SVYASA for oral health and tobacco related lesions in the oral cavity pointing towards oral precancer and oral cancer. Out of 33, 12 were found to be associated with tobacco consumption; these individuals have been advised about ill effects of tobacco usage and were encouraged to slowly discontinue the habit. All the 33 screened individuals have been given necessary tips for adequate maintenance of oral health and also have been advised relevant treatment options for their oral ailments. Further, few individuals have been referred to our hospital for their treatment. I acknowledge the support extended by the concerned staff and students of SVYASA, Anekal Jigani in conducting this community outreach program.

Please find herewith attached few supporting documents and photographs for your kind perusal.  
Thanking you for your continued support.

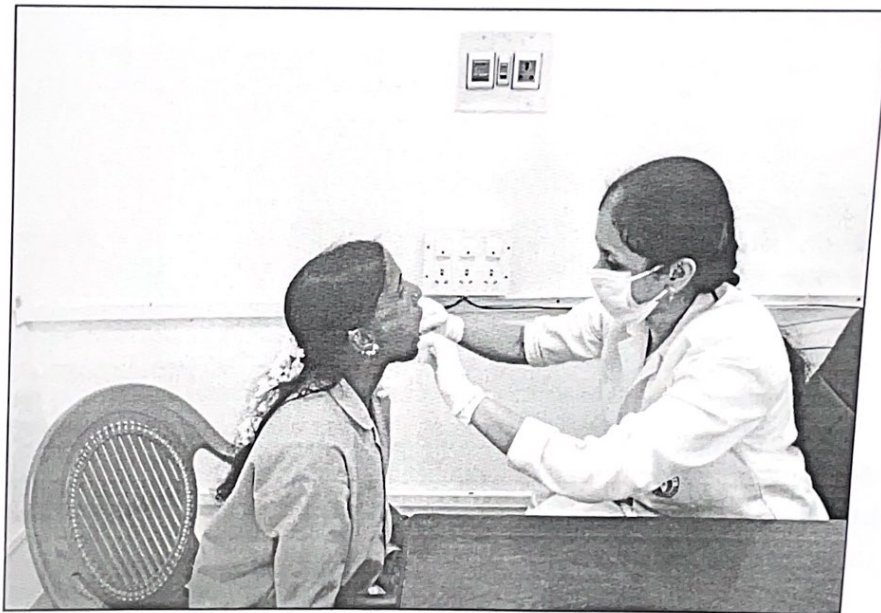

Yours Sincerely

Respected Sir,

Sub: Update on Dental Screening Camp conducted at Pointcross Life Sciences on  
28<sup>th</sup> June 2024

As discussed, I am glad to inform you about the dental screening camp being conducted at Pointcross Life Sciences from 10.00am to 4.00pm. During this program, our team could screen eighty (80) employees. Out of 80, most of them had issues with 3<sup>rd</sup> molars (partially impacted & caries), few developmental disturbances such as, fordyce spots, talon's cusp, geographic tongue were noted. 50% of the employees complained about request oral ulcers. Further, few individuals have been referred to our hospital for their treatment. I acknowledge the support extended by the concerned students of our institution, in-charge employee & HR of Pointcross Life Sciences in smooth conduct of this dental screening camp.

Please find herewith attached few supporting photographs for your kind perusal.

Thanking you for your continued support.

Yours Sincerely

## REPORT OF DENTAL CAMP

On June 30<sup>th</sup>, 2024, the Department of Orthodontics and Dentofacial Orthopaedics at D.A. Pandu Memorial R.V. Dental College, Bangalore, organized a Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research in Muddenahalli. Held from 10:00 AM to 2:00 PM, the camp aimed to provide free dental care to the local community.

A total of 105 patients were treated, including 9 new cases and 96 follow-up patients. The treatment was carried out by postgraduate students—Dr. Nishi, Dr. Imdad, Dr. Yathin, Dr. Chintan, and Dr. lekshmi—under the expert supervision of Dr. Shraddha, Senior Lecturer in the Department of Orthodontics. The camp primarily focused on delivering high-quality orthodontic and dentofacial treatments, ensuring that each patient received comprehensive care. In addition to addressing immediate dental needs, the camp also helped raise awareness about oral health, benefiting the well-being of the underserved community.

## REPORT OF DENTAL CAMP

On December 29th, 2023, the Department of Orthodontics and Dentofacial Orthopedics at D.A. Pandu Memorial R.V. Dental College, Bangalore, conducted a Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research, located in Muddenahalli. The camp, running from 10:00 AM to 3:00 PM, aimed to provide essential dental care to the local community at no cost.

A total of 81 patients were examined, including 9 new cases and 72 follow-up patients. The treatment was carried out by postgraduate students—Dr. Nishi, Dr. Jyolsna, Dr. Shahnaz, Dr. Mariam, and Dr. Mansi—under the expert supervision of Dr. Navya, Senior Lecturer in the Department of Orthodontics. The camp focused on offering high-quality orthodontic and dentofacial treatments, ensuring each patient received thorough care. This initiative not only addressed immediate dental needs but also promoted oral health awareness, contributing to the well-being of underserved communities.

## REPORT OF DENTAL CAMP

On September 27th, 2023, the Department of Orthodontics and Dentofacial Orthopedics at D.A. Pandu Memorial R.V. Dental College, J.P. Nagar, Bangalore, organized a comprehensive Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research, located in Sathya Sai Grama, Muddenahalli. The camp, which ran from 10:00 AM to 3:00 PM, aimed to provide free dental care to individuals in the local community.

A total of 71 patients were examined during the camp, comprising 6 new cases and 65 follow-up patients. The dental treatments were carried out by a team of postgraduate students, including Dr. Aditya, Dr. Akshay, Dr. Yathin, Dr. Amrutha, and Dr. Chintan. These students conducted thorough examinations, diagnostic assessments, and offered a variety of orthodontic treatments. All procedures were performed under the expert supervision of Dr. Shraddha, Senior Lecturer in the Department of Orthodontics, ensuring the highest standards of care.

The camp focused on providing quality dental services free of charge, with a special emphasis on orthodontic and dentofacial care. The event was designed not only to serve the immediate dental needs of the community but also to educate patients on the importance of maintaining oral health and hygiene. By offering these services at no cost, the initiative demonstrated a strong commitment to supporting underserved populations and ensuring that everyone, regardless of financial status, has access to essential dental care.

Report of School Oral Health Program  
Conducted in association with Srinivasan Services Trust-  
TVS Motors Company  
(July 2023-February 2024)

**Principal  
D.A.P.M.R.V. Dental College  
J.P. Nagar I Phase,  
Bangalore - 560 078.**

Our department had been associated with Srinivasan Services Trust (TVS Motor Company Ltd) since 1998-2010 in conducting school oral health programs across various regions in Tamil Nadu and Karnataka which includes Hosur, Tirunelveli, Vellore, Mysore, Attibele and Anekal rendering oral health care for over 1.5 lakh government school children. In addition to the betterment of oral health care in these children, this had also provided ample clinical experience for our undergraduate and postgraduate students.

In continuation with this, we set out to resume this association in the year of 2023, month of July, to start the school oral health program, providing screening and treatment for children in government schools in areas spread over Hosur and bordering regions of Karnataka.

The inauguration was held on 24<sup>th</sup> of July, 2023 following which the camps were continued every month, on Tuesdays and Thursdays of each week.

The camp team comprised of faculty, post graduate students and attender from Department of Pediatric & Preventive dentistry, interns drawn from all departments, final year undergraduate students and alumni of the institution.

Following is the compiled report of the same.

REPORT

<b>Total no. of visits</b>	34
Total no. of schools covered	123
Total no. of children screened	9259
Total no. of children who required restorations	2505
Total no. of teeth restored	2873
Total no. of children who required pit and fissure sealants	973
Total no. of teeth for which pit and fissure sealants were done	2186
Total no. of Oral prophylaxis	2233
<b>COST OF MATERIALS PAID BY SRINIVASAN SERVICES TRUST- TVS MOTOR COMPANY TO THE SUPPLIERS</b>	<b>RS 1,24,350/-</b>

The report from Srinivasan Services Trust, TVS Motor Company, has been attached at the end of the document
