**BRIEF REPORT ON BASIC AND
INTERMEDIATE IMPLANT WORKSHOP
CONDUCTED BY DEPARTMENT OF ORAL AND
MAXILLOFACIAL SURGERY ON
24st JANUARY 2024**

Basic and intermediate implant workshop was targeted to Interns and Post Graduates as a finishing school and also aiming at giving them an overall idea about the speciality of implantology, so that they could incorporate Implantology as one of the primary treatment modalities in their future endeavors.

The programme commenced with registrations being done at 9:30 AM. The programme was flagged off by the Principal, Dr Prashanth and Dr Sunil Vasudev, Head of the Department, Oral and Maxillofacial Surgery, which was then open to the speakers.

The first talk was given by Dr Balavikhram K, Department of Oral and Maxillofacial Surgery, on the applied surgical anatomy and concepts of osseointegration. Following this, the inauguration programme commenced with the lighting of the lamp by the respected dignitaries on the dias.

The lectures resumed with a talk on Radiological investigations in Implantology by Dr Revan Kumar Joshi, Department of Oral Medicine and Radiology. The next talk was given by Dr Sahana M S, Department

**Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.**

of Oral and Maxillofacial Surgery, on clinical evaluation and patient selection in implantology. The final talk before the tea break was given by Dr Sarayu Gopal, Department of Oral and Maxillofacial Surgery, on key implant positions and ideal numbers required.

The next talk was by Dr Mitha Shetty, Department of Prosthodontics, on Prosthetic aspects in Implantology. Following this was a talk by Dr Roshan Kumar, Department of Prosthodontics, on Impression techniques in implantology. The next talk was by Dr Kalavathy N, Professor and Head, Department of Prosthodontics, on armamentarium for digital workflow.

This was followed by a talk by Dr Deepak S, Department of Oral and Maxillofacial Surgery, on circumventing clinical challenges in implantology.

This was followed by an overview on perimplantitis by Dr. Suchetha A, Professor and Head, Department of Periodontology. The next talk was by Dr. Sapna, Department of Periodontology on maintenance of implants.

The last talk of the day was by Dr. Darshan, Department of Periodontology, on complications and management in implantology

After the talks, a sumptuous lunch was served which the participants enjoyed.

Post lunch, a presentation was arranged for the demonstration of Dentium implants. The hands on workshop started covered the complete training in

the use of Dentium Implants with proper protocols in place, which was sponsored by Dentium - Implantium, India, Pvt, Ltd.

We would like to extend our heartfelt gratitude to the RSST, the Principal, the teaching faculty and the speakers of the day.

We would also like to extend our thanks and love for the Interns and Post Graduates who actively participated in the entire programme.

DEPARTMENT OF ORAL & MAXILLOFACIAL SURGERY

REPORT

The Department of Oral and Maxillofacial Surgery, DAPM RV Dental College had organized a seminar as a part of the “Finishing School for the House surgeons” on the topic “CLINICAL IMPLICATIONS OF EMPERICAL ANTIBIOTICS” on 3rd May 2024 between 2.00 - 4.00 pm.

Dr. Sahana M S, Oral & Maxillofacial Surgeon who has completed her Post Graduation in Oral & Maxillofacial Surgery from SDM College of Dental Sciences & Hospital, Dharwad currently rendering her services as a Lecturer in DAPM RV Dental College, was the speaker and she delivered a knowledge packed lecture on “CLINICAL IMPLICATIONS OF EMPERICAL ANTIBIOTICS”

The programme was concentrated on the Internees, Postgraduate Trainees and the faculty to create awareness among them on various aspects of Antibiotic therapy in clinical practice.

The programme witnessed a vast number of more than 100 enthusiastic participants.

A positive feedback was obtained from the participants and the programme was concluded successfully.

Sir,

We have received a proposal from Community Oral Outreach Manager, Group Pharmaceutical Ltd to conduct an **one hour educational session on the benefits of 1000 ppm fluoride tooth paste in Pediatric dental care for post graduate students and faculty of the department**. Requesting your kind permission for the same to be conducted on 19/1/2024 between 9.30 and 10.30 am in the department seminar room.

Group pharmaceutical has offered to sponsor the refreshments to the participants.

Thanking you,

Yours sincerely,

12/1/24

Thu, Jan 11, 2024 at 7:39 PM

Dear Sir,

I hope this email finds you well. My name is Dr Bharath from Group Pharmaceuticals, and I am writing to propose a one-hour educational session on the benefits and proper usage of 1000ppm fluoride toothpaste in pediatric dental care for postgraduate students along with faculties in the Pedodontics department at D. A. Pandu Memorial RV Dental College.

Objective:

- Provide insights into the significance of fluoride in pediatric dental care.
- Discuss the advantages and safety considerations of 1000ppm fluoride toothpaste.
- Introduction of Pediflor 1000

We kindly request confirmation of the proposed session at your earliest convenience. Additionally, we are open to any specific preferences or adjustments to the proposed agenda to better align with the department's objectives.

Thank you for considering our proposal. We look forward to the opportunity to contribute to the Pedodontics department at D. A. Pandu Memorial RV Dental College.

With regards,

Dr Bharath

**D A PANDU MEMORIAL RV DENTAL COLLEGE,
BANGALORE**

DEPT OF ORAL MEDICINE AND RADIOLOGY

The Research Sustenance committee and Department of Oral Medicine and Radiology ,D A Pandu Memorial R V Dental College, organized the second session of the workshop titled "**Unlocking Cochrane: Read, Analyze, Empower!**" webinar on 21st June 2024 .

Title: "Unlocking Cochrane: Read, Analyze, Empower!"

Date: 21st June 2024

Guest Speaker: Dr Sumanth Nagaraj, Senior faculty in Oral medicine and Radiology ,currently working as Senior Researcher, MAGIC evidence ecosystem foundation, Oslo, Norway.

Program Details:

The speaker for the session was Dr Sumanth Nagaraj, Senior faculty in Oral medicine and Radiology,currently working as Senior Researcher, MAGIC evidence ecosystem foundation, Oslo, Norway.

The workshop was conducted for the postgraduate students across all departments. The post graduates were divided based on their speciality. Each group were provided with Cochrane reviews pertaining to their speciality 1 week before program. Each group were asked to prepare their presentations based on the following criterias:

Title and rational for the review

PICO

Interpret Risk of bias of the included studies

Interpret the forest plot for one primary outcome

Interpret Summary of findings table for one comparison

Narrate the results of the review in simple language (no jargons)

Assess the quality of the systematic review using AMSTAR-2 checklist

The program was very well applauded by students and staff. PGs of each group were provided 5 minutes for presentation. This was followed by discussion with Dr Sumanth and the other post graduate students

**Principal

BANGALORE**

DEPT OF ORAL MEDICINE AND RADIOLOGY

The department of Oral Medicine and Radiology D A Pandu Memorial R V Dental College, Bangalore organized an interactive workshop cum CDE program on 21st May 2024 and Anti Hypertension day celebration.

Topic: “Probiotics: Balancing the smile within”.

Guest Speaker: Dr Vijaya Raghavan Seshadri.

Venue: 2nd Floor Auditorium, D A Pandu Memorial R V Dental College, Bangalore

Date: 21st May 2024.

Program Details: The program began with an invocation song by Dr Priyanka B M (Post graduate, Dept of Oral Medicine and Radiology). This was followed by welcome address and introduction of the trainer by Dr Prashanth C S, Principal, D A Pandu Memorial R V Dental College, Bangalore. The guest speaker of the program was Dr Vijaya Raghavan Seshadri , Director, Scientific Affairs, Velbiom probiotics.

Prior to starting the session the participants were grouped into 4 groups and selected topics were assigned to individual group. Each group discussed the topic amongst them and then choose two representatives to present their views. Each topic was discussed for a period of minimum 10 minutes . This was followed by the expert opinion regarding each topics.

This was followed by an Oath taking ceremony where all the participants pledged to make efforts against the disease of hypertension to observe “World Hypertension day”.

The program was very well appreciated by students and staff.

Participants: 68

To,
The Principal
DAPM RVDC

Respected Sir,

Sub: Report on UG Research Synopsis Exposition 2024

The Department of Public Health Dentistry organized the UG Research Synopsis Exposition 2024 on 6th January 2024 from 8.30am to 1.00pm in the 2nd Floor Auditorium of the Institution.

The UG Research Synopsis Exposition is an extension of the Undergraduate Research Program of the Department of Public Health Dentistry. It was first initiated as a Research Exposition where the original research work of our undergraduate students emphasized the diverse and rich academic skills of our students and mentors. The campus-wide program was well received by the faculty and students and suggestions were made to conduct the exposition at the time of planning of the study also so as to help in proper modifications of the study based on the inputs received. This led to the initiation to the UG Research Synopsis Exposition.

On 6th January 2024, the Department of Public Health Dentistry conducted its 3rd UG Research Synopsis Exposition and overall 8th Undergraduate exposition. This program allows the final year UG students to present their research papers in a conference style. This time we also had a student jury along with the 2 judges. (1 external and 1 internal).

The program began with an overview of the undergraduate research program of the institution followed by the rules and regulations of the presentation in the exposition. Dr Deepti Vadavi was the Master of ceremony for the program. This was followed by research presentations by students followed by question-and-answer sessions. A total of 7 presentations were made in 3 scientific sessions chaired by various faculty of the institution. The judges for the research exposition were Dr. Sarita Yanduri, Oral Pathologist & Dr Sudhir, Reader, Department of Pedodontics. The chairpersons and judges conducted an active discussion during the scientific sessions. The audience involved the 3rd year students and some interested students from first and second year.

The program was well received by the students and faculty. The program ended with a vote of thanks by Dr Harikiran AG and was followed by snacks.

We are grateful to the office of Principal and institution for supporting this unique initiative. We also wish to acknowledge the important role of all the faculty members who have participated as mentors in this initiative to integrate research in the Undergraduate curriculum. We are grateful to

**DAPM RV Dental College
Dept of Public Health Dentistry**

**Report on CDE programme
“Understanding the process of grant writing”
- For Dr Pandurangi Memorial Public Health Research Award**

Programme Date: 14.6.24, Friday

Programme Venue: Classroom 2, DAPM RV Dental College

Chief Guest: Dr BS Keshava Prasad, Prof & Head, Dept. of Conservative Dentistry, DAPM RVDC

Speakers: Dr Harikiran AG, Dr Deepti Vadavi, Dr Divya BM, Dr Sujithra S

Participants: 39 (from I BDS to Interns)

Objectives of the programme:

1. To familiarise the participants with the need & importance for funding in research and the various funding sources.
2. To provide practical tips and strategies for successful grant writing, including common pitfalls to avoid.
3. To orient the participants to apply for the Dr Pandurangi Memorial Public Health Research Award Grant.

Overview of the Programme:

At the outset we would like to thank the RSST and the Principal, DAPM RVDC, for providing us an opportunity to conduct this program.

A total of 39 participants attended the workshop, representing all the years from I BDS to Interns. The program was presided by the Principal Dr CS Prashanth, Chief Guest Dr BS Keshava Prasad, Prof & head, Dept of Conservative Dentistry, DAPM RVDC and Dr Harikiran AG, Prof & Head, Dept. of Public Health Dentistry.

The program began with an invocation Song by Dr Sujithra S, Lecturer in the Dept. of Public Health Dentistry and Lighting of the lamp by all dignitaries. It was followed by Principal's Address by Dr CS Prashanth and address by the chief guest Dr BS Keshava Prasad. An overview of the programme was provided by Dr Deepti Vadavi, Reader, Dept of Public Health Dentistry.

The workshop was structured into three key sessions, each focusing on one objective of the program.

1. Grant & Its Role in Institutional Growth and Student's Career - This session was handled by Dr Harikiran AG. He introduced the participants to the grant systems and their role in the research ecosystems. The session dealt with making the students understand the need and importance of grants in their career and how it can boost their CV applications.
2. The various Funding Sources including Dr Pandurangi Memorial Public Health Research Award - This session was handled by Dr Divya BM. The session introduced the
