

REPORT- REGARD BEFORE YOU DISCARD

'Best out of Waste' competition was held on 14th May, 2024 from 2.00pm to 4.00pm, at the Mini Auditorium.

The competition was open to all UG students, interns, PG students and faculty members. The objective of the competition was to create love for environment and to instil values like preservation, conservation, sustainability, etc by making best out of waste with help of recyclable things.

Around 14 teams of 1-3 participants each took part in the event very enthusiastically. It was an opportunity for the students to showcase their creative talents. A time span of 1½ hours was given to all the participants to prepare their models and 2 minutes for presentation.

Waste materials that we normally discard such as newspaper, cardboard, coconut shells, plastic bottles, old CDs, gunny bags, and other reusable materials were used in a constructive manner to transform scrap into a variety of beautiful and useful items. The amazing array of innovative ideas left everyone totally impressed.

The judges for the competition were Dr. Keshav and Dr. Praveen. The criteria of judgement were creativity, utilization of resources, artistic composition and design, eco-friendly rating, utility of the product and overall presentation.
