Sub: Report on Jagriti - Foundational Course for Clinical Care - A value added course conducted from 27th January 2024 to 1st February 2024

Respected Sir,

The program "Jagriti - Foundational Course for clinical care, A value Added Course was conducted from 27th January 2024 to 1st February 2024. The Course was followed by the White Coat Ceremony on 1st February 2024 from 2.00pm to 4.00pm in the 2nd Floor Auditorium.

We wish to thank you for supporting the Health Professional Unit in successfully conducting this program. A total of 57 Undergraduate students and 30 PG students benefited from the workshops.

The "Jagriti - Foundational Course for clinical care" program aims towards capacity building of our undergraduate students as they enter the clinics. This year too, the Jagriti program trained the students in various important skills through Workshops on Ethics and Professionalism, Sterilization & Infection Control Practices, Prescription Writing and Communication Skills.

The feedback and evaluation received from the undergraduate students indicate that the workshops were successful in instilling the core values of professionalism, skills of communication, fundamentals of sterilization and infection control practices and prescribing medications to patients. The 3.5 day program concluded with the White Coat Ceremony where students expressed their feedback on the training received and took the Hippocratic oath.

The detailed reports of the workshops are attached along with the relevant photographs. We once again thank you for your constant support for the activities of the Health Professional Education Unit.

Yours Sincerely

Keeth
Dr Deepthi Vadavi
HPEU Committee Head
