## In detail report of the programs conducted

09.10.2023

The value based program started from 09.10.2023. An informal inauguration was arranged for the fresh batch of I BDS students and their parents in the II floor auditorium. The program started with a brief overview and introduction by Dr Archana K Sanketh, faculty Dept of Prosthodontics and I BDS coordinator. The Principal, Dr. Prashanth C S, Associate Deans, heads of various departments and faculty were present for the introduction. The Principal, Dr. Prashanth C S addressed and welcomed the students and parents. Dr Suma, faculty, Dept of Oral Pathology and Head, Student welfare committee briefed the students about the student welfare committee and the ongoing cultural events. This was followed by the faculty introductions. The students were then asked to introduce themselves.

There was a brief break for tea and refreshments. The students were then taken on a tour of the college-hostel campus by the interns to familiarize them with the institution and hostel.

The respective subject teachers then addressed the students and gave a brief insight into the subjects for the I year.

The students were a part of the cultural program in the afternoon session.

**10.10.2023**

The day started with Dr Sapna, Faculty, Dept of Periodontics and Editor, *Pendent magazine* presenting a talk providing details about the college magazine and motivating students to hone their literary skills.

The next session was conducted by Dr Suma, faculty, Dept of Oral Pathology, Head, Student welfare committee. The talk included various aspects of student activities and their involvement.

This session was followed by a talk by Mr Raveesh, chief librarian, who spoke to the students about the library facilities available and how to utilize these facilities to the best advantage.

**11.10.2023**

The sports was organized at the Kirur Rani Chennamma ground and the I BDS students took part in various events.

**12.10.2023**

The first session was by Dr Vinodhini, Faculty, Dept of Periodontics. She addressed the students on basics of oral hygiene, stressing on the importance and on patient education.

This was followed by a session by Dr Divya B M W, faculty, Dept of Public health dentistry who addressed the students on the importance of public health, practices followed and benefits of public health programs. It was an interactive session and the students benefitted from this session.

As part of the value based programs for the fresh batch of I BDS students, Dr Bharathi, M B, Professor and HOD, Dept of General Pathology and Committee Head, HICC addressed the students on importance of infection control practices, and enlightened them on the Dos and Donts of infection control.

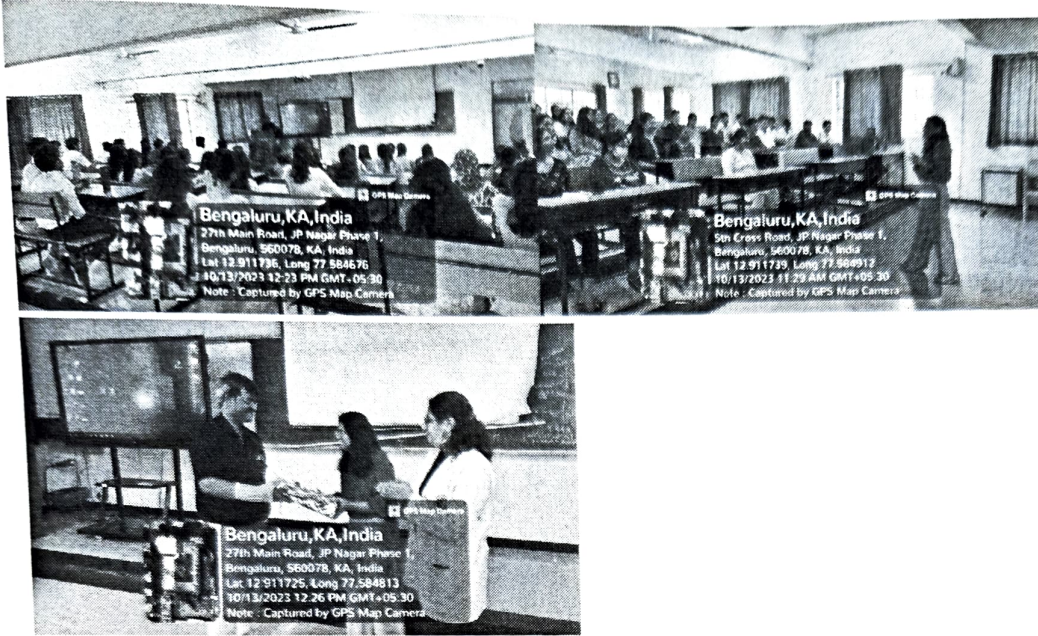

**13.10.2023**

The first session was conducted by the anti-ragging committee, headed by Dr N Kalavathy, Professor and HOD, Dept of Prosthodontics. Details about what constitutes ragging, punishments against ragging, details of the committee members, 24/7 helpline number, etc was mentioned by Dr Archana K Sanketh, member, anti ragging committee. It was also reiterated that the college has a zero tolerance to ragging and that the students can approach any of the committee members in case they face an issue related to ragging.

This was followed by a presentation by an external resource person, Ms Preethi Gupta, yoga therapist, counselor and motivational speaker, who held an interactive session with the students on the topic 'Balancing emotion with studies'. The students thoroughly enjoyed the session. The Principal, Dr C S Prashanth presented Ms Preethi Gupta with a token of appreciation and thanked her for taking time off to be with the students.

The orientation program for the fresh batch of I BDS students culminated with closing remarks by our Principal, Dr C S Prashanth, who once again motivated the students, encouraged them and passed on his best wishes to them.

Regular classes as per the scheduled time table commenced from 16.10.2023 onwards.
