#### **World No Tobacco Day 2022**

On the occasion of “World No Tobacco Day” the Dept of Oral Medicine and Radiology in association with Student welfare Committee D A P M RV Dental College had organized a flash Mob in the college premises. WHO had released the theme for this year’s World No Tobacco Day as “Tobacco: A threat to environment.” Our student team comprising of Post Graduate and Undergraduate students led by Dr Srija, 2<sup>nd</sup> year Post Graduate of Dept of Oral Medicine and Radiology held the flash mob on above mentioned theme. There was active response by Faculty and students for this flash Mob. Dr Subhash, Reader, Dept of Oral Medicine and Radiology delivered a talk about the hazards and ill effects of Tobacco on general health and environment. This was followed by the Address of the Principal Dr Asha R Iyengar to the students and faculty. The team also conducted the Flash Mob on the same theme at S S M RV Degree College, Bangalore. This Flash mob aimed to sensitize and create awareness among the most vulnerable group in the population for tobacco addiction – The college students on detrimental effects of Tobacco on Health and Environment. There was also a display of Posters (hand drawn by students of DAPM RV Dental College, Bangalore) at SSMRV College. This flash mob was received well by students and faculty of SSMRV Degree College and to be hoped, they would seriously think about ill effects of Tobacco before starting to use it.
