Our institution underwent a project "Sustainable Campus- Microgrid Feasibility Study" headed by Ms Geethalakshmi from TATA Consulting Engineers and students from RV college of engineering. The faculty, engineer and students from our institution co-ordinated in the survey by providing with the information on sewerage system, waste management, water output and pertaining to microgrid implementation at our campus.

The microgrid feasibility study included the following activities

1. Identification of existing generation sources and its operating profile
2. Identification of existing renewable energy sources
3. Viability study for battery energy storage to improve the power availability
4. Arrive at optimum energy mix and recommendation of generation schedule
5. 1st order cost estimation and payback period
6. Documentation of the analysis and recommendation

Water Audit included water consumption (potable and non potable), rain water harvesting, recycle and reuse of water, water tariff, major consumers in campus. Solid waste included information on any management available and the types of waste.

The project was planned for three months, during which the participants from the three organisations worked in coordination for better tomorrow.

DEPARTMENT OF PROSTHODONTICS

World Elders Day Celebration

The Department of Prosthodontics, DAPMRV Dental College, Bangalore in association with the Bangalore Branch of the Indian Prosthodontic Society celebrated International Elders day on 9th October 2017 in the mini auditorium.

We had about 45 senior citizens who actively participated in this program.

The program started with an invocation song which was followed by brief presentations on 'nutrition in elderly patients' and 'maintenance of dentures'. An informative lecture cum demonstration on 'Yoga for the Elderly' was also arranged. The patients were very enthusiastic about the same.

'All work and no play makes Jack a dull boy'. Keeping this in mind a few simple games were organised for our senior citizens.

Feedback from the patients was taken in a bid to improve our services.

Refreshments were served after the program

We would like to thank our Principal Dr M R Dinesh for his support.

- Statutory
1. The authenticity of this Stamp Certificate should be verified at "www.shcilestamp.com". Any discrepancy in the details on this Certificate and as available on the website renders it invalid.
 2. The onus of checking the legitimacy is on the users of the certificate.

5. The Medical Officer/Dental Officer working at any State-run Government Health Centre/Government Hospital shall authorize the beneficiaries to avail the benefits of the scheme after scrutinizing the necessary documents. This does not include the Health Centres/Hospitals run by the Central Government.
6. The payments to the Colleges shall be made online directly into their bank accounts on a monthly basis.
7. Health & Family Welfare Department shall train the ANM's/ASHA's/paramedical personnel within their jurisdictional District to identify, diagnose and refer the beneficiaries to the allotted Dental College.

Responsibilities of the Dental College:

1. Dental College shall conduct some dental outreach camps and refer the beneficiaries to the Dental College or conduct on-site treatment for complete dentures.
2. Dental College shall not charge any kind of additional fees such as OPD card charges or registration fees, etc. The scheme does not include the cost of drugs, medications and other incidental expenses related to the complete dentures. However, any beneficiary having a few remaining teeth indicated for total extraction or any other minor procedures indicated as treatment plan for insertion of complete dentures shall be free of cost including tooth extractions.
3. Complete dentures shall be made using standard treatment procedures and materials.
4. The Dental College shall not deny or delay treatment for the eligible beneficiaries of this scheme. However the beneficiaries can be allotted appointment on first-cum-first serve basis and preferably on fixed days of the month to avoid undue delay of treatment.
5. The Dental College shall treat the beneficiaries of this scheme as its own patient and take all necessary measures such as informed consent.
6. The Dental College shall submit their monthly reports to the District Health & Family Welfare Officer and Deputy Director (Medical) periodically as agreed by both the parties.

The parties agree as follows:

1. Term: The Project implementation will commence on 1st of July 2015. The term of this Memorandum of Understanding is for 5 years (five years) and may be extended subject to satisfactory performance and decision of the GoK).
2. Financial provisions and management of funds: All the payments for project activities will be paid directly to the Second party on a post-audit basis, by the State level office on submission of reports by the Second Party to the Deputy Director (Medical).

Report of the Kannada Speaking classes
taken for students :

Kannada speaking classes was started
from October 2017 on every wednesday's
for an hour class from 3:30pm for the
students. The overall period of this
speaking course is three months. Many
of the non-Kannabaka students have been
benefitted by this course. Overall 102
students were attending the classes.
In the end we have even collected
the feedback from students to know
the benefit of this Kannada speaking
classes. The basic things ~~the~~ learned from
students from this course is how to take
case history, ^{know} dates, days, months and overall
basic conversation with patients.

Feedback

Kannada classes were useful in the initial days.

Roopa Ma'am taught us in a very friendly ~~good~~ way.

Starting from the basics, she did the basic words.

All and all, learning the language was fun and interactive.

Thank You.

Payal Mishra

II BDS.

Feedback

It is very helpful. Not only it helps us to understand patient's problem but as ma'am teaches us all the basics we can even communicate with common people outside. Being in Ma'am teaches us really well.
