Subject: Regarding interdepartmental postings

Respected Sir,

Our department has taken an initiative to start post graduate postings in other departments, and I would like to acknowledge our department for giving me this opportunity. As the department has started providing tertiary procedures such as Root Canal Treatment, attending this posting will help me learn the procedural & technical aspects of Root Canal Treatment in detail so that utmost quality treatment can be provided to patients. My second objective would be to enhance my diagnostic skills and clinical skills in recognition of Endo-perio lesions and its prognosis which would also help me identify and manage Endo lesions at camp sites. My posting would also help me in improving my research skills in handling scientific problems pertaining to oral treatment and established best evidence based practice.

Therefore, I, request you to kindly post me in the Department of Conservative & Endodontics for 15 days. I will utilize this opportunity to the best of my capabilities. I will be submitting a report at the end of my postings.

Thanking you

Yours sincerely,

Dr Dimple

Memorandum of Understanding between the Karnataka State Road Transport Corporation and the R V Dental College for referral of the KSRTC employees from the KSRTC Healthy Life Style Clinic Project.

This Memorandum of Understanding is entered into between the Karnataka State Road Transport Corporation hereinafter referred to as 'KSRTC' represented by the Managing Director, and the R V Dental College hereinafter referred to as the 'RVDC' represented by the Principal, for purposes of investigations and treatment of employees of KSRTC who are referred to the RVDC from the KSRTC Healthy Life Style Clinic Project hereinafter referred as 'Project' set up by the KSRTC at its Hospital at Jayanagar premises, in association with Commonwealth Association for Mental Handicap and Developmental Disabilities (CAMHADD) with technical support from World Health Organisation (WHO).

The scope of activities proposed include the examination of employees working with KSRTC for further investigations and treatment at the RVDC. The Memorandum aims at ensuring provisions of timely and appropriate referral facilities for treatment of such KSRTC employees referred by the Project. The support provided by the RVDC includes posting of a Dentist to the KSRTC Hospital on a daily basis. Routine oral health examination shall be done at Project site and where required more specialized tests would be done at the RVDC. Treatment would also be provided if necessary after investigations are completed.

The services rendered by RVDC at the Project site shall be honorary and KSRTC shall reimburse expenses relating to transport, consumables for equipment, materials used for tests etc. Further, the partners of this MOU can make use of the
