REPORT

The orientation programme for the I BDS students of July 2019 batch was held on 27-08-2018. A total of 35 students attended the orientation programme along with their parents.

The welcome address was given by the Principal ,Dr. Asha R Iyengar ,who briefed the audience regarding the college and the faculty . She explained the facilities available in college as well as gave an overview of the rules and regulations of the institution. The master of ceremonies Dr. Sarita Yanduri, introduced the I BDS faculty including the associate deans , UG committee head ,student welfare head, hostel wardens ,librarian and the office staff incharge of the student section. Dr. Bhagyalakshmi, Professor and Head ,Department of Anatomy explained the first year course to the students . Dr. Veerendra Kumar B , Professor and Head, Department of Oral and Maxillofacial Pathology , briefed the students regarding the Indian Dental Association and the benefits including the scholarships that they may avail by becoming members of the same.

The students then introduced themselves to the faculty. It was interesting to see that there was a mix of students from different parts of Karnataka and India. The students also explained the reasons why they had chosen DAPM RV dental college as their college of choice and also mentioned their hobbies. The vote of thanks was delivered by the Vice Principal Dr. Shashikala K . The audience then joined the faculty for refreshments .

During the tea break the office staff distributed the timetable and the calendar of events along with details of the BDS curriculum.

The orientation programme concluded with a tour of the college for both the students and their parents .They were shown the classrooms , the different departments as well as the library.

Sub: Report of the 2 day Patient safety and communication skills workshop and white coat ceremony

Respected Madam

At the outset, the organizing committee would like to thank you for the permission and support extended to conduct the patient safety and communication skills workshop and white coat ceremony for the third year undergraduate students. A total of 45 students benefited from the program.

The students have identified the various aspects which facilitated their learning process and have requested for more such training programs which focus on soft skill development and patient management. Please find attached the detailed report from each session.

We are looking forward to your feedback and continued support in conducting similar programs benefitting the students and faculty alike in the times ahead.

Thanking you once again,

Dr. Harikiran AG
