Smile walk – World Elders day Celebrations, Bengaluru 2022

The Indian prosthodontic society on its Golden Jubilee Celebration has taken the initiative to promote our speciality among the general public. As part of this initiative a " THE SMILE WALK " with the golden jubilee torch has been organised throughout the length and breadth of our country.

As a part of this initiative, an event was organised by the IPS Bengaluru branch at Cubbon park, Bengaluru on October 1<sup>st</sup>, 2022. The day was chosen as its also celebrated as the International day of the elderly. As a major portion of patients needing prosthodontic care are of the elderly age group the program was precisely framed to benefit the elderly population.

This program was attended by all our faculty, postgraduates and interns, we were a part of the organising committee as Dr P Roshan Kumar being the secretary was organising the program. We had also organised a free dental checkup for the elderly.

The program was a complete package of entertainment, learning, patient awareness and community outreach services. Department of prosthodontics from all dental colleges in Bengaluru with their staff and postgraduate students participated in the event. To mark this occasion free T shirts were distributed to all Prosthodontists and General Public present.

The event was inaugurated by lighting of the torch buy our respected IPS President Dr Rangarajan and IPS Joint Secretary Dr P Shesha Reddy with all the members of IPS Bengaluru branch headed by Dr P C Jacob. The guest of honour retired brigadier Kripalu, an ever-enthusiastic sportsman completing marathon at the age of 93 was present at the event. He was a true inspirational figure for all the young and budding prosthodontist present.

The legends of our speciality Dr. Jaykar Shetty, Dr. M C Sudhakar, Dr. Shivshankar M , Dr. N.Kalavathy Dr. Ravindra Savadi, Dr Kashinath K R, Dr. Anand Krishna GN , and many more were present.

This was followed by a an energetic and fun filled Zumba for everyone present at the event. All the staff, postgraduates and also the general public actively participated in the event and made it a grand success.

The icing on the cake was the presence of the group of elderly from the mini forest laughter club who guided and taught us various exercises of yoga and laughing. Its thoroughly energised everyone on the cold and rainy morning.

Our college was also a part of the dental camp organised where free dental check-up was carried out by the postgraduate students on mobile dental vans from their respective colleges. the patients were examined and explained about their current dental situation and educated to get the necessary dental treatment accordingly. The patients were also educated with the different variety of treatment options available and also the importance of dental treatment. This benefitted a lot to the general public present there who failed to visit a dentist due to lack of knowledge about the problem. Students also made posters and banners depicting various dental problems faced by people and the treatment modalities available to overcome these treatable problems.

The dental check up camp also involved the distribution of oral kit containing all the necessary things to maintain a good oral hygiene to the general public that further promoted awareness towards dental care.

Apart from the dental camp, free blood sugar tests by Ghar pe Diagnostics and Geriatric evaluation by R V College of Physiotherapy was organised.
