Sub: report on Jagriti - Foundational Course for Clinical Care -2022-2023 (5th December - 7th December 2022)

Respected Madam,

The program "Jagriti - Foundational Course for clinical care" was conducted from 5th December 2022 to 7th December 2022 followed by the White Coat Ceremony on 7th December 2022. We wish to thank you for supporting the Health Professional Unit in successfully conducting this program. A total of 65 Undergraduate students and 20 PG students benefited from the workshops.

The "Jagriti - Foundational Course for clinical care" program aims towards capacity building of our undergraduate students as they enter the clinics. This year, the Jagriti program trained the students in various important skills through Workshops on Ethics and Professionalism, Sterilization & Infection Control Practices, Prescription Writing and Communication Skills.

The Workshops were designed using the Kern's 6 steps of curriculum development, spread over 15 hours for 2.5 days from 5th December to 7th December 2022. The feedback and evaluation received from the undergraduate students indicate that the workshops were successful in instilling the core values of professionalism, skills of communication, fundamentals of sterilization and infection control practices and prescribing medications to patients. The 2.5 day program concluded with the White Coat Ceremony where students expressed their feedback on the training received and took the hippocratic oath.

The detailed reports of the workshops are attached along with the relevant photographs. We once again thank you for your constant support for the activities of the Health Professional Education Unit.

Yours Sincerely

Dr Bhagyalakshmi G

Officer in Charge

Dr Deepti Vadavi

HPEU Coordinator

- Attached:
1. Reports of 4 workshops with photographs
 2. Attendance sheet of the 4 workshops
 3. Circular for the program.

REPORT ON ORIENTATION WORKSHOP ON BIOETHICS & PROFESSIONALISM

As part of "Jagriti"- Foundational Course for Clinical Care for III Year Undergraduates, an orientation workshop was conducted on 'Bioethics and Professionalism'.

Session conducted on: 05/12/2022 & 06/12/2022 from 9am to 1pm

Chief Patron: Dr. Asha R Iyengar, Principal, DAPMRVDC
Organizing Chairperson: Dr. Bhagyalakshmi G, Officer In Charge, HPEU
Program Coordinator: Dr. Deepti Vadavi, HPEU Coordinator
Internal Resource persons: Dr. Suma S , Dr. Sapna N, Members, HPEU
External Resource Person: Dr. D K Srinivas, Former Dean JIPMER, Curriculum Consultant RGUHS
No. of students participants: 67

The session was conducted in two batches of 33 and 34 students each, for 4 hours. The workshop encompassed the concept of Ethics, history, Belmont's principles, Professional competencies and stressed upon the need and use of ethics for dental professionals. The workshop included interactive presentation, small group activities, brain-storming, buzz groups discussions, pair and share and plenary sessions. It was designed to stimulate introspection, discussion and sharing of ideas. A feedback was obtained from the students at the end of the workshop.

Student feedback about the workshop:

1. 64.2% of the students have rated the session 10/10, and 22.6% rated it 9/10 indicating that it was very helpful.
2. The key factors which facilitated the learning process were:
 - a. Group activities
 - b. Illustration using many examples
 - c. Enthusiasm of the speaker
 - d. Interactive session, not a monotonous lecture
 - e. Experienced resource person gave lot of useful information
3. The take home messages identified by the students from the workshop
 - a. Ethical values – altruism, empathy, reflection and patient safety
 - b. Importance of accountability, reflection, code of conduct, confidentiality
 - c. Being professional, building trust with patients
 - d. To use ethics in daily life
4. Students were asked to rate their learning from the workshop by comparing their knowledge before and after the workshop with reference to 9 parameters. In all 9, the learning was highest (score of 10) after the workshop.

Jaagriti - Foundation Course for Clinical Care
Report on the Infection Control Practice Workshop
5th &6th December 2022

At the outset, we would like to thank you for providing us the opportunity to continue with the Infection Control and patient safety workshop as a part of the Jagriti – Foundational Course for clinical care conducted for the Third BDS students during 30th November and 5th December 2022 to 7th December 2022

A brief outline of Infection control practices talk was given to 3rd BDS students on 30th November by Dr. Bharathi M B, head, HICC.

The workshop was conducted during the morning session (9:00 am to 1:00 pm) of 5th December 2022 and 6th December 2022. The entire Hospital Infection Control Committee worked as a team to make the workshop a success.

The workshop started with opening note on Infection control practices is important in dentistry by Dr. Deepti Vadavi to orient the students. This was followed by a series of activities conducted by all members of the infection control committee (Dr. Seema Patil, Dr., Dr. Archana , Dr. Sahana, Dr. Deepti , Dr Sindhu , Dr. Sudheer , Dr. Vinodhini, Ms. Kavyashree, Dr.Gouri) wherein a brief lecture was given by the respective resource person followed by providing students with various hypothetical situations and hands on experience on several aspects of infection control and patient safety. Activities covered included sterilization and disinfection , PPE wear , hand hygiene, measures to be followed during needle prick and hazardous material spillage, blood spillage and biomedical waste management.

The students enjoyed the workshop with active participation. The feedback report and photographs are attached.

Report on the Communication Skills workshop

5th - 7th Dec 2022

Background:

The Communication skills workshop has been running as a part of the Jagriti – Foundational Course for Clinical Care for the 7th Year now. This workshop was an outcome of the FAIMER project of Dr Jyotsna S in 2015-16. Subsequently the communication skills workshop was initiated in 2016. Mr. Raghothama Rao who is a Master trainer in soft skill development has been running the workshop as the Resource Person for this workshop for UG and PG students successfully. The HPEU coordinators for this year's workshop were Dr Sheela and Dr Jyothi.

On 7th Dec 2022, the workshop was held for the 7th year in succession.

Process:

The third-year undergraduate students and first year postgraduate students were trained in the critical aspects of effective doctor -patient communication over a two hour period. The training session involved discussion and 5 hands on activities to drive the salient points home.

Feedback:

Qualitative and quantitative feedback was taken from all the participants.

Report on Prescription Writing Workshop

The Prescription Writing Workshop was planned as a part of "Jagriti – Foundational Workshop for Clinical Care". The idea was a brainchild of Dr. Jyotsna, taken forward by Dr Deepti Vadavi and the resource people were Dr. Deepak S, Dr. Sahana M S and Dr. Subhash B V. Kern's six step approach was used for designing this module.

Step 1: Needs assessment survey was carried out.

Survey process:

Informal discussion with faculty

Survey questionnaire with students

Number of participants:

Faculty – 3

Students - 67

Needs of the student:	Needs of staff	How will this be addressed?
Gap in theory and clinical application	What drug to take in which dental condition (indications)	Manual and activity
Not sure about correct dosages	Correct dosages of drugs	Pre-recorded video and manual
Not sure about the time of the day to administer the drug And interaction with food	Instructions on when to take and how to take Interactions of drugs with certain foods	Pre-recorded video and manual
Format of the prescription form Subscript and signature	Writing legibly (CAPITALS?) What details of the doctor should be included	Manual and activity

Principal

<p>Which drug to prescribe in which case Order in which the prescription should be written</p>	<p>When and how to give a new prescription to a patient we have prescribed to before</p>	<p>Manual and activity</p>
<p>Not sure of the brand names/ spelling mistakes in drug names How to know if our prescription was effective/ worked on the patient When to prescribe a tablet and when to prescribe a capsule When to prescribe ointments and topical agents</p>	<ol style="list-style-type: none"> 1. When SOS and when regimen 2. What regimen for what drug, what happens if regimen is not followed 3. How to prescribe topical agents, how to deal with allergy to topical agents 4. How to administer dispersible forms of medication 5. Method of applying the drug in cases of ointments, gels or pastes 	<p>Pre-recorded video and manual</p>
<p>Drugs that can be safely prescribed in medically compromised patients</p>	<ol style="list-style-type: none"> 1. Loading dose of drugs (when and how) 2. Drug interactions 3. Adverse effects and how to tackle them 4. Antibiotic resistance 	<p>Manual and activity</p>
<p>Knowledge of what the patient has taken previously Keeping abreast with new medicines</p>	<ol style="list-style-type: none"> 5. How to look for drugs online 6. How to read CIIMs 7. Generic names or trade names 8. When and how to combine drugs 9. Costing of drugs 	<p>Manual</p>

 Principal
 D.A.P.M.R.V. Dental College
 J.P. Nagar I Phase,
 Bangalore - 560 078.

Step 2: Prioritization of the Objectives:

The following were the objectives of the program:

1. Talk about the format and order of the prescription.
2. To cover the routinely administered drugs; both systemic and topical agents.
3. To explain emergency drugs, when to use and what to use.
4. To discuss which is the appropriate drug to use in medically compromised patients.
5. To address the issue of antibiotic resistance.

Step 3: Educational Strategies

1. Manual (learning resource)
2. Pre-recorded video
3. Activity

Step 4: Implementation

1. A manual and pre-recorded video was prepared including all components intended to be covered in the workshop and was sent to the students prior to the workshop.
2. A newspaper article on antibiotic resistance was also sent to the patients.
3. 10 case scenarios were designed to present the students with real life situations. The students were divided into 10 groups. They had to write prescriptions and a self-appointed group leader had to present the same.
4. The resource person then discussed the nuances in prescription writing.

Step 5: Feedback collected from students showed:

1. Almost all of the students rated the usefulness of the program as a 10, with 1 being least useful and 10 being most useful.
2. In answer to the question on what about the module impressed them, they said:
 - a. The Practical implications of Pharmacology knowledge.
 - b. Instructions on the correct dosages of the drugs
 - c. Factors which affect the drugs prescribed in different situations.
 - d. Interactive sessions based on case scenarios.
 - e. Working collaboratively as a team.
3. In answer to the question about what facilitated their learning, they replied:
 - a. The interactive nature of the program
 - b. The exercise of writing the prescription on an actual prescription sheet.
 - c. Active participation and team work.
 - d. Informative slides and the detailed explanation by teachers.
 - e. Various case scenarios.
4. To the question on what was learnt which was application based, they answered:
 - a. Clinical application of Pharmacology

- b. Format of prescription
 - c. Do's and don'ts while prescribing
 - d. What to prescribe pre-operatively, post-operatively and in an emergency
 - e. Indications, contra-indications, precautions and dosing of drugs
 - f. Drug synergisms and antagonisms
 - g. Special needs of patients
 - h. How to give instructions to the patient and Hierarchy of prescribing drugs.
5. To answer the question on what they didn't understand in the workshop their reply was:
No negative response. Everything was well explained in the entire session.
6. They gave the following rating for the questions:
- a. I can apply the information in my clinical setting: Majority said strongly agree
 - b. The presentation met my professional education needs: Strongly agreed.
 - c. The trainer actively involved me in the learning process: Strongly agreed
 - d. As a result of this training, I feel more confident in clinical examination, management and safety of patients: strongly agreed.
7. In any other comments and suggestions, we got the following suggestion:
- a. To conduct many more such interactive and informative sessions.
 - b. All the involved teachers and resource persons were good.

The comments were:

- a. They enjoyed the session.
- b. They found the program interactive and effective.
- c. They felt the module was informative and useful.

To,
Dr. Ranganath
President,
Karnataka State Dental Council

Sub: Report of the scientific deliberation on "Preparedness for Competency Based Education" on August 24th, 2022, organised by HPEU - DAPM RV Dental College

Respected Madam,

The scientific deliberation on "Preparedness for Competency Based Education" on August 24th, 2022, organised by HPEU, DAPM RV Dental College, Bangalore was successful in initiating a conversation regarding the competency based education and role of the educational leaders. Seventy five participants (internal and external) were part of the audience. Our key note speaker and panellists led by Dr. Avinash Supe, Dr. Suhasini Nagda, Dr. Pushpanjali and Dr. Anshu deliberated on the need for competency based education, and change management strategies for stakeholders – regulatory bodies, Management, faculty and students.

The key take home messages were:

1. Educational leaders need to initiate change and not necessarily wait for the regulatory bodies to make policy decisions.
2. Competency based education is here to stay – it is student centred and addresses the needs of the community. The faculty will have to modify their teaching styles to support this shift in education.
3. Competency based education strategies are aligned to the National Education Policy 2020, NAAC and NIRF requirements.

4. Faculty development programs are the key to facilitate this change, and heads of institutions need to be the drivers of change.

The participant feedback is attached. The participants have appreciated the quality and stature of the panellists and the questions raised in the panel discussion. They have requested for more programs of such nature in the future. We thank you for the support extended for this program and are looking forward to work on the action points.

Yours sincerely

Any suggestions/feedback to enhance the quality of the programs in future?

No other suggestions. More of these sessions are needed.

Good presentation.. thank you Panel discussion was the key beauty of the event. Its a gr8 way to organize the discussion among Eminent Personalities around a key question. I think the selection of questions were good and carried significance in implementing CBME. Thanks for giving us the opportunity to hear from Dr Anshu and Dr Avinash supe sir.

More such sessions can be organised. Very helpful.

Best

More such sessions should be organised. Really helpful. With all due respect ..Should not allow personal talks n should minimize the intro of the panelist...instead one can just display their achievements on screen & just briefly introduce them n start the discussion. Rest the discussion n the speakers were great. Much to learn n implement. Congrats!

Master Class Program
30th January to 12^h May 2023

PAED-ORAMA 2023
A Pre-examination Review for
Postgraduates
Department of Paediatric and
Preventive Dentistry

Paed-Orama 2023 was conducted from 30th January 2023 to 12^b May 2023. 15 online sessions were conducted each encompassing important examination topics. Each session had close to 100 participants from dental colleges all over India.

Eminent Resource persons and Moderators presented the students with detailed presentations, case reports and important theory and viva voce questions. At the end of Paed-Orama 2023 the participants were given a recorded version of all the sessions to refer to at any point of time.

D A PANDU MEMORIAL RV DENTAL COLLEGE
DEPARTMENT OF ORTHODONTICS AND DENTOFACIAL ORTHOPEDICS

The Department of Orthodontics and Dentofacial Orthopedics DAPM R.V Dental College conducted a Master Class programme "Ignite – An Orthodontic review" on 28th, 29th and 30th of March 2023 for postgraduate students perusing MDS in orthodontics. It was conducted in association with FDS Ramaiah University of Applied Sciences, Krishnadevaraya College of Dental Sciences and Bangalore Institute of Dental Sciences Bengaluru, under the aegis of Bangalore Orthodontic Study Group, Karnataka Orthodontic Study Group and Indian Orthodontic Society.

The program focused on exam topics and preparation of postgraduate students to confidently and effectively face the theory, practical and viva voce examinations. Several distinguished and experienced academicians were invited as guest speakers to address students on these Exam oriented theoretical topics, they also provided tips on tackling the clinical exercises, pedagogy, and case presentations from the examiners' perspective.

We had 230 participants attending from all over Karnataka and a few from outside the state as well. 30 renowned speakers were invited to address these students.

In addition to the lectures we conducted Quiz competitions every day. To recognize the student's efforts and appreciate them, the winners were given certificates and gifts at the end of the day. The prize for quiz winners and stationery sets for students were sponsored by Dental Matrix.

Each lecture was timed for 30 - 45min but because of overshooting of time, lectures went on for 9 hours every day, totalling upto 27 hours for 3 days. The program was a huge success with an overwhelming response from students and support from the faculty of the Department of Orthodontics.

Days – 28th, 29th & 30th March 2023

Timings – 8:30am – 5:30pm,

Venue – Mini Auditorium, 2nd Floor, DAPM RV Dental College, J P Nagar Bangalore

Enclosures –
