Madam,

Sub – Report of the Denture Camp at Kaggalipura Community Health Center, Bengaluru

This is to inform you that the Department of prosthodontics, D.A.P.M.R.V Dental college and Hospital was a part of the denture camp organized by the Govt of Karnataka health and family welfare Department and Medical education Department under the Danthabhagya scheme that was held from 4th July 2022 to 8th July 2022. A total of 3 patients were referred from jayanagar general hospital were treated with complete denture prosthesis at our college.

The denture camp culminated at Kaggalipura Community Health Center on July 16th 2022 where the dentures were distributed to all the 3 patients in the presence of the organising team.

Dr Archana K Sanketh faculty Department of Prosthodontics and one Dr Sushma Rani, Intern represented D.A.P.M.R.V Dental College.

Our Postgraduates had additional exposure and experience in fabricating dentures due to this camp.

The Technicians of our college actively participated to complete lab procedures during fabrication of prosthesis.

The Work by RV team was well appreciated by the organizers and patients.

Rs. 6000/- will be reimbursed by the Govt of Karnataka after submitting the report through the Danthabhagya scheme.

The Photographs of this program is enclosed with this letter.

I thank you and the management for your constant support and encouragement provided in making this a grand success.

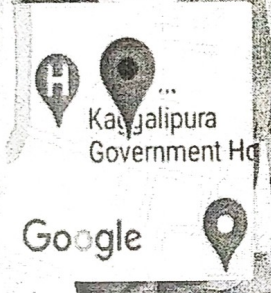

Thanking you,

Yours Sincerely,

Madam,

Sub – Report of the Denture Camp held in Department of Prosthodontics RV Dental College Bangalore.

A denture camp was held in the Department of prosthodontics, D.A.P.M.R.V Dental college and Hospital from 27th October 2022 to 14th November 2022. 17 patients from Chikkaballapur were treated with removable prosthesis of which 13 patients were complete denture patients and 4 patients were partially edentulous patients. A schedule was planned for the patients. A bus was arranged by the Government officials from Chikkaballapur on those specified dates under the Danthabagya Yojana Scheme for BPL Patients.

Lunch on 4th November was organized for all the patients and the attendees (23 numbers) in the mess that was sponsored by our college through our Principal Dr. Asha R Iyengar.

The final insertion was completed on 14th November 2022.the patients were happy with the prosthesis. Faculty members, 7 Postgraduates, Interns, 2 technicians and 3 attenders from the Department of Prosthodontics actively participated in successfully completing the denture camp. The photographs of the camp are enclosed with this report.

Madam,

Sub – Report of the Denture Camp at Chamarajanagar Institute of Medical Science

This is to inform you that the Department of prosthodontics, D.A.P.M.R.V Dental college and Hospital was a part of the denture camp organized by the Govt of Karnataka health and family welfare Department and Medical education Department under the Danthabhagya scheme which was held from 9th July 2022 to 16th July 2022 at Chamrajanagar Institute of Medical Sciences, Chamarajanagar. A total of 56 patients from 5 taluks were treated with complete denture prosthesis.

A felicitation programme was held on the 15th of July 2022 for all the 57 Complete Denture patients, Doctors, technicians and the organizers in the presence of Dean and Director – Dr Sanjeev G.M, Dr Krishna- District surgeon, Dr Mahesh (RMO), Dr.Priyadarshini – Nodal officer (NOHP) Chamarajanagar district & Dr Satyaprakash Zonal (NOHP).

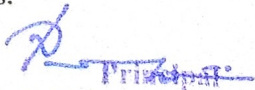

The programme was held in CIMS Auditorium where the complete Denture prosthesis were distributed to all 56 patients. The Doctors and technicians were felicitated. Dr Mitha Shetty and Dr Roshan Kumar faculty Department of Prosthodontics represented D.A.P.M.R.V Dental College. Our college received a shield as a token of appreciation from the CIMS, Chamarajanagar.

The Postgraduates were benefited at the camp site with good exposure and experience in technique of fabrication and managing many patients.

The Technicians of our college actively participated and stayed up to 1 am to complete lab procedures during fabrication of prosthesis.

The stay and food at CIMS was comfortable to students and technicians as in house accommodation was provided at the Camp site.

The Work by RV team was well appreciated by the organizers and patients.
