Recommendation:-

The members after going through the report made the following observations.

- The University has recognized the faculty by appointing them into various committees.
- The total number of patients treated and the revenue generated has increased since August 2020.
- Good number of paper/poster presentation and guest lectures have been undertaken by the Faculty.
- The PG and UG students have actively participated in paper/poster presentation and publications.
- Many faculty have participated in conferences.
- Admission to various courses have been very good.
- The results of both UG and PG has been consistently good and students have obtained good number of ranks in the University examinations.

The members congratulated the Principal, faculty and staff for their involvement in the activities of the College.

Sub.No.20:-
