Name of the Mentor: Dr. Sante Y.

Name of students: Dr. MADHUMITHA P.M. Madhumitha

(For period July 2020 - December 2020)

Minutes of the meeting:

- Found it a little difficult as she does not have any reviews or journals to discuss the subject.
- Tried to utilize time by completing work with discussion from all faculty.

- Read the discussions held on the usage of the microscope and found them to be useful.

- Once she started seeing slides she found that she has gained interest in the subject.

- She found that the IRB review was useful since that she was not sufficiently prepared.

- She found the prepared posters at St. John's especially Genetics, dentalology and hematology was very useful though initially she was confused about the procedures.

- Madhumitha was advised to put in more effort and to take steps to make the committee shorter and on slides into notes.

Online classes were not that productive as offline class.

Online classes were conducted for long hours due to which we had headache, eyestrain & lot of pressure & also we were not able to concentrate on our studies.

Due to the online classes conducted, we need wi-fi in the hostel.

Students felt because of the lockdown, they have not got good clinical exposure. Students also feel offline classes are more effective than online teaching as there is face to face interaction. Students also found difficulty in concentration as they felt online classes were for long duration. Students also want to have a separate place for them to eat their lunch. Students liked the experience of writing their internal assessment online through Quillm LMS platform.

Students find the teaching by all the departments very effective and interesting. However, they prefer offline teaching over online teaching. Students were not very happy with their performance in I internal assessment. They felt the portions for internal assessment was very vast and also because of the lockdown and online teaching they could not discuss many of their doubts. Students commented on hostel food and they feel, reality should be improved.

held on 15<sup>th</sup> of March 2021

15<sup>th</sup> March - 21

The Mentor-Mentee Meeting was held on 15 March 2021 and attended by the following students. Dr. H. Murli Professor interacted with them, and asked them to express their feedback regarding routine classes / clinical session / hostel facilities / facilities in the college / and any personal issues also.

The students have expressed the following

- ① Reception duty is not necessary being a BDS Intern. It's moreover a receptionist job. Our parents are totally against this unnecessary duty.
- ② ~~The~~ Lack of college canteen is another big problem faced by the localites as some time we have to sit in classroom or locker room which is always not possible. Going out and eating is very expensive on daily basis.
- ③ All good / Reputed Medical colleges or Engineering College have 24 hrs ~~library~~ <sup>or</sup> library service. Ours should atleast extend till midnight as hostelites as well as localite can make full use of the service facilities.  
As we all know many of our seniors have cracked AIIMS / NEET / ARMY ~~exam~~ along with ongoing internship, Their Request of extending library hours should be considered too.

  
Principal  
D.A.P.M.R.V. Dental College

- ④ Payment counter should be provided for each department as its really time consuming for both doctors as well as patient
- ⑤ Interns should be trained with emergency procedure as well as some minor procedure like I.V injection or CPR etc.
- ⑥ Patients have been complaining about the hike in price of treatment.
- ⑦ Adequate amount of instruments should be provided and Diagnostic instruments should be replaced as they are not proper in most of the departments
- ⑧ Non-Working dental chair should be replaced or re-serviced.
- ⑨ Doctor's chair are not proper in most of the departments
- ⑩ N-95 masks are not provided even it is available.
- ⑪ Not much clinical exposure.

① The grievances conveyed in earlier meeting have not been addressed to.

② Oxygen cylinders in the campus make a lot of noise which is disturbing the hostels.

③ A lot of department paper waste is given to P.G.S & Interns which is to be stopped. College should hire more clerical staff for this purpose.

④ Basic hygiene measures like soap & tissue are not available in washrooms which is very essential.
