DANDIYA NIGHT REPORT

Garba is a form of dance, as well as a religious and social event that originates in Gujarat, India. Garba is performed during Navratri, the longest and largest dance festival in the world. Navratri, literally meaning "nine nights," is the Hindu festival dedicated to Durga—the feminine form of divinity and her nine forms, from the fierce sword-wielding Kaalratri to the smiling creator of the universe Kushmanda.

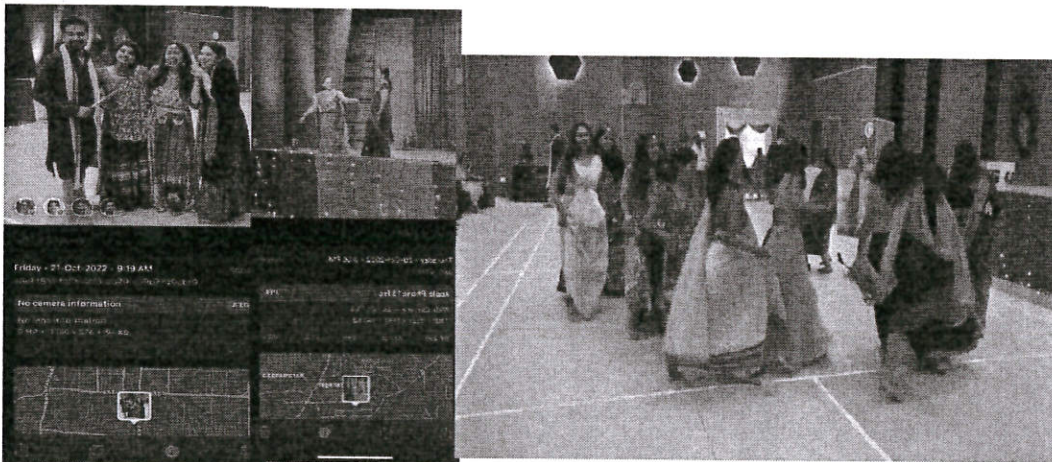

On 20th of October Dandiya Night was Celebrated in DAPM RV Dental college. The students of DA Pandu Memorial RV Dental College were all geared up in high spirits to celebrate this day.

The event was conducted by the interns batch 2021-2022 and was hosted by Dr. Nirbhi Tandon and Dr. D. Gibekhaa

The event began with a welcoming and inspiring speech by Dr.Asha Iyengar , Principle DAPM RV Dental College, Followed by a Ramp walk for Staff and Students and a performance by the outgoing interns.

The event further went on by doing garba and dandiya on various songs by the staff and the students in the main auditorium.

The event kept the audience very energized and the event concluded with the vote of thanks.

Report of the visit by Sri Vivekananda Youth Movement , Sargur.

Students and staff representatives from Sri Vivekananda Youth Movement from Sargur, Mysore district visited our institution on 21st November 2022. There were 58 students, 6 faculty members and 2 parent representatives in the group. The tour started at around 9.45 am. The visitors were welcomed by our Principal DR. Asha R Iyengar and a teaser about our institution was screened for the visitors in the ground floor auditorium. After the screening, the visitors were divided into batches of 10 students each and were sent on the tour of college. Interns from our institution were roped in to show the visitors around the college. Each intern was given the responsibility of a batch of 10 students and they enthusiastically took them around the college. The following departments were chosen for the visit:

1. Department of Oral Medicine and Radiology
2. Department of Prosthodontics
3. Department of Oral Pathology
4. Pre clinical Conservative Dentistry lab
5. Department of Orthodontics
6. Department of Anatomy
7. Library and information centre.

The visiting students were eager to know the workings of the departments and they enthusiastically participated in the interaction. The feedback from the departments was that the visiting students were curious about the treatment offered in the dental college and the also about the use of technology in dentistry. Students had a lot of question regarding the role of tobacco in oral cancer and the advancements in the treatment for oral cancer. They were delighted to see the CBCT, panoramic radiography and intraoral radiography unit in the department of oral Medicine and Radiology. The tour went on for a period of 2 hours and at the end of the tour snacks was served. There was brief interactive session between the visitors and our Principal. The students expressed that they learnt a lot of new things about oral health and dentistry and were surprised to know that Oral Cancer prevention was one of the main objectives of oral cavity examination. Mr. Praveen, the staff from SVYM appreciated the effort put by our interns in educating the visiting students on Dentistry and he was hopeful of few visiting students exploring the possibility of dentistry as a career option. The program ended with a concluding remark by our Principal.

CHIGURU-29/01/2023

CHIGURU was a wonderful cultural event organized by Youth for Seva for the students studying in government schools across Bengaluru. We were grateful to our Principal Dr. Asha Iyengar and our Youth for Seva coordinator Dr K Supreetha S Naik to give us, the students of 1st year BDS, the golden opportunity to volunteer at this amazing event.

We were 22 students from our college who got the opportunity to serve at the event. It was a beautiful Sunday morning and we volunteers had to report at Rashtrorathana Vidya Kendra, Banashankari 6th Stage, 7th Block, Bengaluru- 560060 by 7 AM. Since we belonged to the health care field, we were appointed at the health desk, which was headed by Dr. Nirupama. The students started arriving by 7:30 AM and we were asked to distribute masks and make sure everyone was sanitized as soon as they entered. There were around 2000+ students from the various government schools across Bengaluru who took part in this event. They were really enthusiastic about their competitions and the events. After this Dr. Nirupama appointed us into various competitions, this was to make sure that first aid was easily available in every floor and there were always 3 volunteers at the health desk with an intern. There were a few challenges that we had to face like the students fainted due to dehydration, headaches because of the heat but we faced it with courage and our team members were always there for the support.

The event CHIGURU started at around 9 AM. There were various competitions like singing, dancing, clay sculpturing, rangoli competition, cooking without fire, mask making, science related competitions and various other such competitions. The students took part in these
