01	Dr. Harini Archana A	4th Rank	Orthodontics
02	Dr. Atodaria Dimple Chetansinh	3rd Rank	Public Health Dentistry
03	Dr. Huma Nawaz	8th Rank	Public Health Dentistry

The members made the following observations:-

- In some of the Departments no paper presentation/publication have been made and the faculty should be informed to do the needful.
- The members appreciated that all the seats have been filled up for the year 2021-22 and only few colleges could achieve this.
- The members congratulated the principal, faculty and the staff for getting A grade in NAAC accreditation. The short coming observed in the report should be set right (i.e., research, innovation and extension and Institutional values and best practices) before the next circle of re-accreditation.
- The members were happy to note that the college has received permanent affiliation from RGUHS and the only college to get permanent affiliation.
- Regarding visit by the principal and some of the faculty to Saveetha Dental College, Chennai and their opinion of having Comprehensive clinics for training, the members suggested that a detailed report be sent to Trust regarding infrastructure and cost involved for examination.
- Regarding opening of evening clinic, the members suggested to submit a detailed report regarding infrastructure, equipment required and the specialties in which treatment can be given.
- The members appreciated the consistent good examination results and the large number of ranks obtained by the students in the University examination and congratulated the principal and the faculty.
- To look at the possibility of establishing a simulation lab which could be used for training students in pre-clinical years.
- To consider purchase of a 3-D printer to complement the Digital Dentistry equipment and clinics.
