NOTE

This is with regards to the institutional seed grant (ISG) for faculty research projects for PhD scholars who are employed at our institution. In this regard, part of the PhD project was submitted as a research proposal by a PhD scholar. This proposal was presented at institutional review board. Following are the details of the PhD Scholar for whom, the sanction of the seed grant was considered.

Name and affiliation of the PhD Scholar: Dr Madhura M G Reader, Department of Oral Pathology and Microbiology, DAPM R V Dental College, Bengaluru, and Research Scholar, Department of Oral Pathology and Microbiology, Maratha Mandal's NGH Institute of Dental Sciences and Research Centre, Belgaum

Name and affiliation of the Guide: Dr Vijayalakshmi S Kotrashetti, Professor and Head, Department of Oral Pathology and Microbiology, Maratha Mandal's NGH Institute of Dental Sciences and Research Centre, Belgaum

Name and affiliation of the Co-Guide: Dr Veerendra Kumar B, Professor and Head, Department of Oral Pathology and Microbiology, DAPM R V Dental College, Bengaluru

Title of the Project: "Assessment of miR222 expression with MMP1 and miR203 expression with P63 in normal oral mucosa, oral leukoplakia and oral squamous cell carcinoma – A cross-sectional study"

Amount to be considered from Institutional Seed Grant: Rs.50,000/-

Duration of the project: 2 years

This partial funding will be duly acknowledged by the PhD scholar in the presentation and the publication generated from this research project.

This is for your kind information and orders

Dear Dr. Revan Kumar Joshi

Sub: Sanction Letter for the institutional Seed Grant for the year 2021-2022

I am pleased to inform you that your research proposal titled "**Estimation of the surface area of the oral cavity and correlation with the salivary flow rate**" is chosen for awarding of the research seed grant for the year 2021-22. You have been awarded a grant of Rs.1,00,000(One lakh) (in words).

Principal investigator: Dr Revan Kumar Joshi

Co investigators:

1. Dr Asha R Iyengar
2. Dr Seema Patil
3. Dr Subhash B V
4. Dr Shriyanka R

The grant will be released the name of the Principal Investigator, subject to following terms and condition mentioned hereunder:

1. The PI shall submit the grant sanction letter and a request letter to the accounts section for opening of separate SB account in the bank for operation of grants amount.
2. The details of opening separate SB account for each sanctioned project is available with the accounts section. The PI is instructed to collect the same from the accounts section.
3. The PI shall take the overall responsibility for the account, the proper utilization of the funds, conduct of research, preparation and submission of report and the required enclosures within the stipulated time period.
4. 50% of the grant shall be released as the 1st installment. 25% of the grant-in-aid shall be released after the utilization certificate for the money released in the 1st installment is submitted. Balance of 15% shall be released after the utilization certificate for the money released in the 2nd installment is submitted. Remaining 10% will be released after the submission of the project report to the research sustenance committee. Audit report shall be submitted along with every utilization certificate.

5. The bifurcation of the grant-in-aid as per the above criteria applicable to you is as follows:

Sl. No	Total Grant-in-aid Sanctioned	
1.	First st installment (50%)	1,00,000
2.	Second installment (25%)	50,000
3.	Third Installment (15%)	25,000
4.	Fourth installment (10%)	15,000

6. The research shall be completed within 2 years from the time of release of the 1st installment of the seed grant.

7. The PI shall furnish the following reports and documents within the mentioned time line:

Sl no	Document/report	Time line
1.	Project status report	Every 6 months from the date of issue of grant-in-aid
2.	Utilization certificate	Before every installment except first installment
3.	Audited statement of accounts	Before every installment except first installment
4.	Final project report	Before the end of 2 year from the date of issue of the grant-in-aid
5.	Publication	At the end of the project
6.	Presentation of the research work in a conference	At the end of the project
7.	Report about the conference attended in which the research was presented	At the end of the project
8.	Bills and receipts	Before every installment except first installment
9.	IRB certificate	At the beginning of the research
10.	Duly certified acceptance letter of the institutional seed money by the PI and co investigators	At the beginning of the research
11.	Undertaking by the PI and co investigators regarding the acceptance of the terms and conditions for receiving institutional seed money for research	At the beginning of the research

8. All the details about the conduct of research activity along with documents should be properly maintained by the PI. These documents should be submitted to the research monitoring committee whenever it is called for.
9. ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
10. Research outcome shall be published in peer reviewed journals after completion of the project. During such publication, it is the duty of the PI to acknowledge the assistance given by RSST as a source of funding for the research activity.
11. In case the PI discontinues the research work under unforeseen circumstances, the co-investigators shall continue the research work and complete the project with the approval of

UNDER GRADUATE PROJECT APPROVAL ORDER**

Sub:	Orders for approval of research grants to the UG students of affiliated institutions of RGUHS to carryout research projects for the year 2023-24.reg
Ref:	1. University notification No: RES/UG-RESEARCH/188/2021-22 dated 06-01-2023 2. Approval of the 180 th Syndicate meeting held on 10-07-2023
Project Code	UG23DEN230
Subject and faculty	Oral Medicine and Radiology DENTAL
Principal Investigator	Mukunda R
College	D.A. Pandu Memorial RV Dental College
Name of the Guide/Designation and Dept	Dr Revan Kumar Joshi Lecturer
Research Project Title	TO DETERMINE THE EFFECTIVENESS OF LOW COST VR (VIRTUAL REALITY) TECHNOLOGY IN ANALGESIA AND ANXIETY CONTROL AMONG PAEDIATRIC POPULATIONS: AN EXPERIMENTAL STUDY
Research Grants Sanctioned	15000
Duration of the Project	Three months from the date of issue of amount through NEFT/RTGS.

One of the main objectives of the University is to promote research activities in the University affiliated colleges. In this regard University had invited applications for financial assistance for conducting the research projects by the UG students of colleges affiliated to RGUHS for the year 2023-24, wherein university received 571 research proposals. The Subject Experts as suggested by the concerned BOS UG chairpersons and the Expert Committee have scrutinized the research proposals and shortlisted them based on the criteria set out by the University. Such of the proposals which have fulfilled the norms, have been recommended by the Expert Committee for sanction of research grants.

Principal

J.P. Nagar I Phase,
Bangalore-560 078.

The Syndicate in its 180th meeting held on 10-07-2023 has approved to sanction the grant-in-aid as per the recommendations of Expert Committee for 353 selected proposals in Medical, Dental, Pharmacy, AYUSH, Nursing, Physiotherapy, Homoeopathy and Allied Health Sciences for UG students for the year 2023-24.

As per the decision of the Syndicate the following orders are made.

ORDER NO. RGU/ADV-RES/UG RESEARCH/188/2022-23, DATED:31-07-2023

Pursuant to the approval of the Syndicate, sanction is hereby accorded for release of grant-in-aid amounting to Rs.15000 (Fifteen Thousand only) towards research proposal entitled "TO DETERMINE THE EFFECTIVENESS OF LOW COST VR (VIRTUAL REALITY) TECHNOLOGY IN ANALGESIA AND ANXIETY CONTROL AMONG PAEDIATRIC POPULATIONS: AN EXPERIMENTAL STUDY ", for the year 2022-23.

The Grant-in-aid will be released in the name of Head of the Institution subject to following terms and conditions mentioned hereunder.

1.	The Principal / Head of Institution shall maintain a separate account for research purpose and for receiving the financial grant released by RGUHS in the name of The Principal / Head of the Institution and the details of the same shall be submitted to RGUHS.
2.	Principal / Head of the Institution and the Guide shall be responsible for the accounts and the proper utilization of the funds. The grants released shall be used only for research purpose.
3.	The project shall be completed within three months from the date of release of grants. However, the University reserves the right to extend the tenure in deserving cases on requisition from the PI maximum for a duration of one month only.
4.	During the research work, members of the Expert Committee from the university shall reserve the right of inspection of the research activity being carried out.
5.	All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator and the guide.
6.	ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
7.	Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution, Principal Investigator and the guide.
8.	Publication is not mandatory for the undergraduate Research Project. However if the PI wishes to publish the Research project, it may be published in RGUHS journal/ national/ international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall

Bangalore - 560 078.

	absolve the University in all future legal complications regarding copyright/plagiarism issues with respect to the research project.
9.	In case the Principal Investigator discontinues the research work under unforeseen circumstances, the guide/Head of the institute shall take the responsibility to find a suitable alternative for carrying out the research project with the consent of the university or the entire Research grant may be refunded through DD favoring "Registrar RGUHS". It is the responsibility of the Principal/ Head of the Institution/Guide to ensure, in such circumstances, that the research is completed.
10	In case the Guide of the research project leaves the college or exits the project the Head of the institute should inform RGUHS and give the New Guide details with covering letter . (Note: The Guide can be changed only once in the tenure of the research project.)
11.	It is the responsibility of the Head of the Institution/Guide and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the Head of the institution and Principal Investigator and guide are jointly liable to refund the released research grant to the University along with the accrued interest.
12.	The grants released by the University shall not be utilized for the purpose of purchase of instruments/equipments/software/books/Internet charges, refreshments, pen drives , Hard drives etc.
13.	Final report, Utilization Certificate (duly attested by the internal auditor of the institution of the PI), Original bills (with GST number) have to be submitted on the completion of the Research project. College vouchers are not accepted.
14.	E-Completion certificate shall be issued to the successful PI's only on receiving "No objection" from the auditors of the University.
15.	After the completion of the project the entire project report in hard copy shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee
16.	The principal investigator and the guide agree to the condition that no honorarium will be paid to them.
17.	If any of the conditions mentioned above are not adhered to by the Head of the Institution / Principal Investigator and guide, University reserves the right to take appropriate action.
18	In research proposals involving clinical trials, if any untoward incidence occurs, it is the responsibility of the Principal Investigator, guide and the Institution to deal with the same and the University will not take any responsibility in this regard. The Principal Investigator is advised to enter into

Sub: Dr Pandurangi Memorial Public Health Research Award 2021-2022

Dear Dr Dishamani Sarma

Congratulations! Your project has been selected for the Dr Pandurangi Memorial Public Health Research Award 2021 - 2022.

Project Title: "Implications of Covid-19 Pandemic on Dental Institutions - A perception of Dental Academicians of Bangalore"

Awardees: Dr Dishamani Sarma (Postgraduate student, Dept. of Public Health Dentistry)
Amount: Rs 7,500/-

The award is subject to completion of following conditions and approval of the report.

7. The PI shall take the overall responsibility for the conduct of research, preparation and submission of report and the required enclosures within the stipulated time period.
8. In the event of the PI leaving the Institute/College before completion of the project, the co-PI may continue work. A new PI may be allocated from the same department after obtaining permission from the Principal/Dean. The same may be updated to the Grant committee.
9. The report shall be in detail, the original work carried out by the PI and should not be copied from earlier research/ other sources.
10. The awardees should ensure that there is no plagiarism. The report may be rejected if the same is detected at any time.
11. Before beginning the research a clearance from an appropriately constituted (as per ICMR Ethical guidelines) Institutional Ethics Committee (IEC) / or Institutional Animal Ethics Committee (IAEC) shall be obtained, as applicable. Without the ethical clearance the report will not be accepted. Also note that studies involving stored samples/ human biological materials/ retrospective analysis of records/ surveys etc., also require clearance from IEC. The research carried out must be in compliance with ICMR's "Ethical Guidelines for Biomedical Research on Human Participants, 2017" which may be downloaded from ICMR website. In case it is felt that research belongs to the exempt category a "Certificate of Exemption from ethical review" may be obtained from the IEC.
12. A complete report of the project shall be submitted to the Grant Committee on completion of the study.

Wish you best of luck.

Respected Madam,

Sub: Report on UG Research Exposition 2022 & 2nd Dr Pandurangi Memorial Public Health Research Award Ceremony

The Research Sustenance and IRB Committee of the institution along with NSS unit of RGUHS and the Department of Public Health Dentistry organized the UG Research Exposition 2022 & 2nd Dr Pandurangi Memorial Public Health Research Award Ceremony on 25th June 2022 from 8.30am to 2.30pm in the Main auditorium of the Institution.

The UG Research Exposition was a campus-wide celebration of undergraduate research and creativity. This exposition highlighted the original research work of our undergraduate students and emphasized the diverse and rich academic skills of our students and mentors. This program paved way for our students to participate in undergraduate research engaging their intellectual curiosity, satisfying their thirst for discovery, and giving them an outlet for their creativity.

The program began with an overview of the undergraduate research program of the institution followed by the rules and regulations of the presentation in the exposition. Dr Deepti Vadavi was the Master of ceremony for the program. This was followed by research presentations by students followed by question-and-answer session. A total of 7 presentations were made in 3 scientific sessions chaired by various faculty of the institution. The judges for the research exposition were Dr. Avinash B, Professor & Head, Dept. of Public Health Dentistry, Dayanand Sagar of Dental Sciences, Bangalore. They gave their suggestions and valuable inputs that helped our students to have a broader vision of research.

The UG Research Exposition was followed by the 2nd Dr Pandurangi Memorial Public Health Research Award Ceremony. Dr Chandrashekhar Shetty Exec. Advisor, Adi Chunchunagiri University was the chief guest for the ceremony. Dr BL Sujatha Rathod, DME was the guest of Honour. Mrs Pandurangi, Mrs Aruna Pandurangi also graced the occasion. Dr Asha R Iyengar, principal DAPM RVDC, Dr Veerendra and other faculty members were also present for the award ceremony. Dr Subhash BV was the Master of Ceremony for this program. During the ceremony, Grant Letters were awarded to the recipients of Institutional Seed Grant 2022 and Dr Pandurangi Memorial Public Health Research Awardees. The Prize winners of the UG Research Exposition were also announced
