D A PM RV DENTAL COLLEGE & HOSPITAL

DEPT OF ORAL MEDICINE AND RADIOLOGY

The department of Oral Medicine and Radiology, D A Pandu Memorial R V Dental College, Bangalore in association with Indian Dental Association, Bengaluru organized a training program on “Counselling for Tobacco cessation” on 2nd December 2022.

Title: “Brief overview of Prescription, Precautions and Interpretation in Radiology”

Venue: 2nd Floor Auditorium, D A Pandu Memorial R V Dental College, Bangalore

Date : 2nd Dec 2022

Program Details: The program began with an invocation song by Dr Priyanka (Post graduate, Dept of OMDR). This was followed by welcome address by Dr Asha R Iyengar, Principal, RVDC. The speakers of the session were **Dr Srinivas Pachava**, Prof and HOD, Dept of Public Health Dentistry, Sibar Dental College and Hospital, Guntur who spoke on the topic titled “**Tobacco – Role of Dentist**” & **Dr R Suresh**, Assistant Professor, Dept of Public Health Dentistry, Sibar Dental College and Hospital, Guntur on the topic titled “**Tobacco Addiction and Cessation Methods**”. A role play skit on hoe to stop Tobacco was conducted by Amaya Bhavya and Aishwarya (Interns) and Dr Aditi(Post Graduate Dept of OMDR). Anusha S (Intern) had compiled interesting questions regarding Tobacco and its ill effects from the students of RVDC and were putforth infront of the speakers and the speakers diligently answered their queries. The program was concluded by a dance program by Sr Srija (PG, Dept of OMDR) which was based on a theme “ Second Hand smoking and its ill effects”. Vote of thanks was given by Dr Subhash (Reader, Dept of OMDR)

The program was very well appreciated by students and staff.

**BRIEF REPORT ON BASIC AND INTERMEDIATE
IMPLANT WORKSHOP CONDUCTED BY
DEPARTMENT OF ORAL AND MAXILLOFACIAL
SURGERY ON
1st DECEMBER 2022**

Basic and intermediate implant workshop was targeted to Interns and Post Graduates as a finishing school and also aiming at giving them an overall idea about the speciality of implantology, so that they could incorporate Implantology as one of the primary treatment modalities in their future endeavors.

The programme commenced with registrations being done at 9:30 AM. The programme was flagged off by the Principal, Dr Asha Iyengar and Dr Sunil Vasudev, Organising Chairman, Head of the Department, Oral and Maxillofacial Surgery, which was then open to the speakers.

The first talk was given by Dr Deepak S, Department of Oral and Maxillofacial Surgery, on the evolution and embracement of implants into practice. The next talk was given by Dr Sahana M S, Department of Oral and Maxillofacial Surgery, on surgical anatomy. The final talk before the inauguration was given by Dr Balavikhram K, Department of Oral and Maxillofacial Surgery, on clinical evaluation and planning in Implantology.

Following the talks the inauguration programme commenced with the lighting of the lamp by the Chief Guest, Dr Chandrashekar Raju, Chairman, Governing Council, DAPM RV Dental College, Bangalore.

The lectures resumed with a talk on Radiology in Implantology by Dr Revan Kumar Joshi, Department of Oral Medicine and Radiology. The next talk was by Dr Mitha Shetty, Department of Prosthodontics, on Prosthetic aspects in Implantology. Following this was a talk by Dr Roshan Kumar, Department of Prosthodontics, on Impression techniques and Digital workflow. The next talk was by Dr Sapna N, Department of Periodontics, on Maintenance of Implants. The last talk was by Dr Darshan B Mundinamane, Department of Periodontology, on Complications and Management in Implantology.

After the talks, a sumptuous lunch was served which the participants enjoyed.

Post lunch, a presentation was arranged for the demonstration of Dentium implants. The hands on workshop started with 74 registrations out of which 37 of them got complete training on the

BRIEF REPORT
INTERNATIONAL ORAL AND MAXILLOFACIAL SURGERY DAY

DATE : 13TH FEBRUARY 2023

VENUE : DAPM RV DENTAL COLLEGE AUDITORIUM

DAPM RV Dental college played host to a memorable International Oral and Maxillofacial Surgeons day which was held in the college auditorium on 13th of February 2023 under the guidance of Dr. Sunil Vasudev, Head of Department of Oral and Maxillofacial Surgery, DAPM RV Dental college, Bangalore.

The programme was inaugurated with an invocation song followed by a small briefing by Dr. Sarayu Gopal. The welcome address was given by Dr. Sunil Vasudev and Dr. Asha Iyengar, Former Principal, DAPM RV Dental College, Bangalore.

The lighting of the lamp commenced at 10.30 am by the respected dignitaries on the dias following which Dr. Srinath, President, KAOMSI gave an introductory speech on the awareness required for every maxfac trainee with the theme of the programme being on "Road Traffic Safety". Following this a small motivational speech was delivered by Dr. Girish Rao, Hon.Gen Secretary, AOMSI and a speech on the importance of neurological implications in general road traffic safety was given by Dr. Dwarakanath.S, HOD, Department of Neurosurgery, NIMHANS, Bangalore.

An address by Shri Umesh S.K, Retd. Superintendent of Police, on the importance of wearing helmets and incidence of road traffic accidents showing an early rising trend was emphasized.

Later, Dr Girish Gowda, Consultant Maxillofacial Surgeon, at the Sanjay Institute of Trauma and Orthopaedics, delivered a lecture on Road Safety Awareness and presented his Case Series on the same.

Lastly, the vote of thanks was delivered by Dr. Deepak S, Reader, Department of Oral and Maxillofacial Surgery, DAPM RV Dental college, Bangalore.

This was followed by a sumptuous lunch post which an e poster competition was held judged by Dr Lalitha and Dr Prithvi S Balepur, Senior Maxillofacial Surgeons. Post graduate students from various Dental Colleges in Bangalore presented on the "Implications and awareness of Road Traffic accidents in

To,
Dr Ranganath
President
Karnataka State Dental Council

Sub: Report of the CDE program titled "International Consultative meeting on Karnataka State Oral Health Policy Directions" on the 15th of December 2022, organized by the Department of Public Health Dentistry - DAPM RV Dental College, Bangalore.

Respected Sir,

The CDE program "International Consultative meeting on Karnataka State Oral Health Policy Directions" on the 15th of December 2022 was successful in initiating a conversation among the trisector stakeholder on the need of an Oral Health Task Force to elevate the Oral Health of the people from the State's agenda in line with the Oral Health component of the Vision Group document titled "Advancing people's health in Karnataka: Vision for progress". One fifty participants (external and internal) were a part of the audience. The program was addressed by our keynote speaker Dr Jayant Kumar State Dental Director, California emphasizing on the importance of government policy initiatives for elevating oral health followed by a panel discussion which was concluded with signing of the "Bangalore Declaration" involving trisector stakeholders (being eminent leaders from the State Government, Private sector and civic society) and the participants.

The key take home messages were:

- Various determinants and tools in developing an oral health task force.
- Forming of an Oral Health Task Force and nodal center - to take Karnataka State Vision Group Oral Health Agenda forward
- Systems for estimation of oral disease burden and inequity in Karnataka, India for planning of public oral health programs

Sub: Report of the scientific deliberation on "Preparedness for Competency Based Education" on August 24th, 2022, organised by HPEU - DAPM RV Dental College

Respected Madam,

The scientific deliberation on "Preparedness for Competency Based Education" on August 24th, 2022, organised by HPEU, DAPM RV Dental College, Bangalore was successful in initiating a conversation regarding the competency based education and role of the educational leaders. Seventy five participants (internal and external) were part of the audience. Our key note speaker and panellists led by Dr. Avinash Supe, Dr. Suhasini Nagda, Dr. Pushpanjali and Dr. Anshu deliberated on the need for competency based education, and change management strategies for stakeholders – regulatory bodies, Management, faculty and students.

The key take home messages were:

1. Educational leaders need to initiate change and not necessarily wait for the regulatory bodies to make policy decisions.
2. Competency based education is here to stay – it is student centred and addresses the needs of the community. The faculty will have to modify their teaching styles to support this shift in education.
3. Competency based education strategies are aligned to the National Education Policy 2020, NAAC and NIRF requirements.

4. Faculty development programs are the key to facilitate this change, and heads of institutions need to be the drivers of change.

The participant feedback is attached. The participants have appreciated the quality and stature of the panellists and the questions raised in the panel discussion. They have requested for more programs of such nature in the future. We thank you for the support extended for this program and are looking forward to work on the action points.

Yours sincerely

8/27/2022 10:00	Pallavi Wejapey	pallaviwejapey.rvcp@vei.edu.in	Good	Good	Good	Very Good	Good	Good presentation.. thank you Panel discussion was the key beauty of the event. Its a gr8 way to organize the discussion among Eminent Personalities around a key question. I think the selection of questions were good and carried significance in implementing CBME. Thanks for giving us the opportunity to hear from Dr Anshu and Dr Avinash supe sir.
8/27/2022 10:00	Dr. Diwakar Dhurandhar Ashok Shinde	diws.dhurandhar@gmail.com	Very Good	Very Good	Very Good	Very Good	Very Good	More such sessions can be organised. Very helpful.

8/27/2022 11:00	Dr. Amol Ashok Shinde	amol9267@gmail.com	Very Good	Very Good	Very Good	Very Good	Very Good	More such sessions should be organised. Really helpful. With all due respect..Should not allow personal talks n should minimize the intro of the panelist...instead one can just display their achievements on screen & just briefly introduce them n start the discussion. Rest the discussion n the speakers were great. Much to learn n implement Congrats

D A PANDU MEMORIAL

R.V. DENTAL COLLEGE, BANGALORE

Master Class Program

30th January to 12^h May 2023

PAED-ORAMA 2023

**A Pre-examination Review for
Postgraduates**

**Department of Paediatric and
Preventive Dentistry**

Paed-Orama 2023 was conducted from 30th January 2023 to 12th May 2023. 15 online sessions were conducted each encompassing important examination topics. Each session had close to 100 participants from dental colleges all over India.

Eminent Resource persons and Moderators presented the students with detailed presentations, case reports and important theory and viva voce questions. At the end of Paed-Orama 2023 the participants were given a recorded version of all the sessions to refer to at any point of time.

SESSION 1

30.01.2023 (11:00AM TO
1:00PM)

CARIES DIAGNOSIS AND RISK ASSESSMENT

*Resource
person: Dr.
B. Nandlal*

Professor, HOD (former principal, JSS
Dental College, Mysore)

*Moderator:
Dr.
Priyasubramaniam*

Professor and HOD (former principal,
Oxford Dental College, Bangalore)

*Resource person
and moderator:*

NO OF PEOPLE ATTENDED: 75

Meeting Link: <https://meet.google.com/eyg-qkrk-ivr>

*The session topic was **CARIES DIAGNOSIS AND RISK ASSESSMENT**. The session was introduced by Dr. Praveen. P, followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including, the assessment of risk factors involved in caries activity, method of using cariogram, follow up period post treatment*

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were given for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

CARIES MANAGEMENT/CONTROL

Resource Person :

*Dr. Neeraj
Gugnani*

Professor, DAV Centenary
College, Yamunanagar.

Moderator:

Dr. I.K Pandit

Professor and Principal, DAV Centenary
College, Yamunanagar.

Resource person and

Moderator:

Dr.

NO. of people attended : 54

Meeting link : <https://meet.google.com/qou-ckqt-oge>

The session topic was CARIES MANAGEMENT / CONTROL.

The session was introduced by Dr. Praveen. P, followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including

The moderators provided their intel at the end of the session. The students were then given time to have their doubts clarified and detailed explanations were provided for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

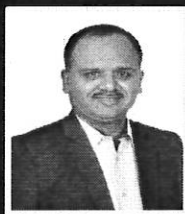

Session 3

01.02.2023 (10AM TO 12PM)

EARLY CHILDHOOD CARIES- ETIOLOGY, CLINICAL FEATURES

Resource

*Person: Dr.
M.S Muthu*

HOD, Sri Ramachandra Dental
College, Chennai

Moderator:

Dr. Neeraj Gugnani

Professor, DAV Centenary College,
Yamunanagar.

*Resource person
and moderator:
Dr.*

No. of people attended: 92

Meeting link: <https://meet.google.com/fhq-aapo-frx>

The session topic was EARLY CHILDHOOD CARIES, ETIOLOGY, CLINICAL FEATURES.

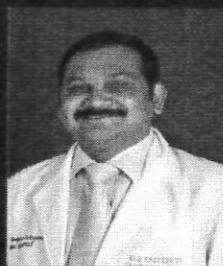

The session was introduced by Dr. Praveen. P, followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including.,

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were provided for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

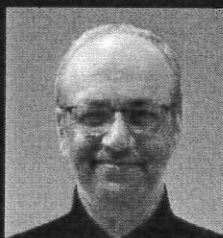

MINIMAL INVASIVE DENTISTRY

*Resource
person: Dr.
Shivayogi
Hugar*

Professor, HOD, KLE Dental College
Belagavi

*Moderator:
Dr. Faisal C.P*

Professor and HOD, Vice Principal,
Kannur Dental College, Kannur.

*Resource person
and moderator:*

NO OF PEOPLE ATTENDED: 83

Meeting Link: <https://meet.google.com/eyg-qkvvk-ivr>

The session topic was MINIMAL INVASIVE DENTISTRY. The session was introduced by Dr. Praveen. P, followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including, remineralizing agents, sealants, polymer burs, chemical removal of carious lesions, ART techniques.

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were given for the same.

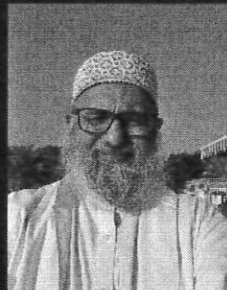

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

Session 5

07.02.2023 (2PM TO 3:00 PM)

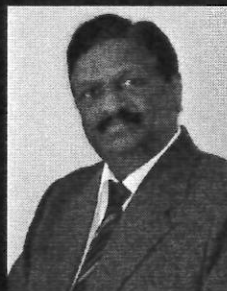

SPACE MAINTAINERS

*Resource
person: Dr.
Yusuf
Chunawala*

Professor, HOD, KLE Dental College
Belagavi

*Moderator:
Dr. Manoj Kumar*

Professor and HOD, Vice Principal,
Kannur Dental College, Kannur.

*Resource person
and moderator:*

NO OF PEOPLE ATTENDED: 67

Meeting Link: <https://meet.google.com/eyg-qkrk-ivr>

The session topic was SPACE MAINTAINERS. The session was introduced by Dr. Praveen. P, followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including, indications, contraindications of space maintainers, Patient Compliance with removable and fixed space maintainers, survey among Post graduate students on difficulty in fabrication of fixed space maintainer at various stages.

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were given for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

Session 6

06.03.2023 (9 AM TO 11AM)

ENDODONTIC PROCEDURES IN PRIMARY TEETH

Resource

Person:

Dr Priya

Subramaniam

HOD, Oxford Dental college, Bangalore

Moderator:

Dr Jeewarathan

Professor, Sree Balaji Dental college and Hospital, Chennai.

No. of people attended: 131

Meeting link: <https://meet.google.com/ipn-difd-ndq>

*The session topic was **ENDODONTIC PROCEDURES IN PRIMARY TEETH**. The session was introduced by Dr. Praveen. P , followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including Pulp-Dentin complex, diagnosis and comprehensive treatment plan for various endodontic procedures in the primary dentition.*

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were provided for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

ENDODONTICS IN YOUNG PERMANENT TEETH, REGENERATIVE ENDODONTICS

Resource

*Person: Dr
Jeevarathan*

Professor, Sree Balaji Dental college and
Hospital, Chennai.

*Moderator: Dr Priya
Subramaniam*

HOD, Oxford Dental college, Bangalore

No. of people attended: 107

Meeting link: <https://meet.google.com/esu-nhwj-fwq>

*The session topic was **ENDODONTICS IN YOUNG PERMANENT TEETH, REGENERATIVE ENDODONTICS**. The session was introduced by Dr. Praveen. P , followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including Apexification, Apexogenesis, Maturogenesis, various regenerative endodontic procedures such as pulp implant, stem cell therapy, 3D cell printing and other advanced techniques were summarized.*

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were provided for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

Session 6

06.03.2023 (2 PM TO 3.30PM)

CROWNS IN PEDIATRIC DENTISTRY

Resource

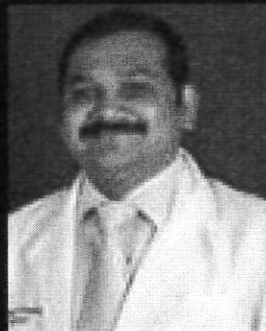

*Person: Dr
Cheranjeevi
Jayam*

Associate Professor, AIIMS,
Mangalagiri, Andhra Pradesh.

Moderator:

Dr Shivayogi Hugar

HOD, KLE society's VK institute of
Dental sciences, Belagavi, Karnataka

No. of people attended: 64

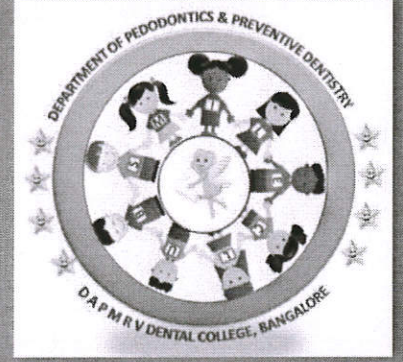

Meeting link: <https://meet.google.com/mgy-frzv-hwg>

The session topic was CROWNS IN PEDIATRIC DENTISTRY

The session was introduced by Dr. Praveen. P , followed by introduction of the resource person and the moderator. The session covered all the important topics elaborately including history of stainless steel crown, indications, contraindications, various modifications and also the technique of stainless steel crown placement was elaborated,

The moderators provided their intel towards the end of the session. The students were then given time to have their doubts clarified and detailed explanations were provided for the same.

At the end of the session, certificates were presented to the Resource person and the moderator by Dr. Praveen. P The whole session was recorded and available for students to refer to as and when they required.

Session- 7

The seventh session (offline) was by Dr Jayanaidu. on the topic "Pedagogy". The moderator and resource person were introduced by Dr. Praveen P.

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

Session- 8

The eighth session (online) was by Dr Sivakumar Nuwula. on the topic "Viva Voce".

10 TIPS FOR SUCCESS DURING VIVA

Smart preparation:

- Don't try to revise everything prior to the viva voce, as examiners can ask from any area of pediatric dentistry, from history to the current scenario.
- Try to compile all your learning and experience over the three years and manage. Prepare better on 2-3 topics other than the clinical case scenarios, with good literature backup.
- You would be fortunate if you were asked to pick your favored topic.

Reading Comprehension Strategies

<p>Re-read the Text</p> <p>more information = more understanding</p>	<p>Activate Prior Knowledge</p> <p>what do I already know about this?</p>	<p>Use Context Clues</p>
<p>Infer Meaning</p> <p>read between the lines</p>	<p>Think Aloud</p> <p>talk through it</p>	<p>Summarize the Story</p> <p>Characters ↳ Setting ↳ Problem ↳ Solution</p>

REPORT ON
ARTIFICIAL INTELLIGENCE:
PRESENT AND FUTURE

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

On the 15th of February 2023, the DAPM RV Dental College and Hospital in Bangalore hosted a lecture titled "Artificial Intelligence: Present and Future," delivered by Dr. Sanjay R Chitnis, Founding Dean, School of Computer Science and engineering, R.V University. The informative session took place in the distinguished setting of the second-floor auditorium. Dr. Prathibha Rani S, Reader in the Department of Pediatric and Preventive Dentistry, graciously introduced the esteemed speaker and conveyed appreciation for his valuable contribution to the program. 50 participants were a part of the programme.

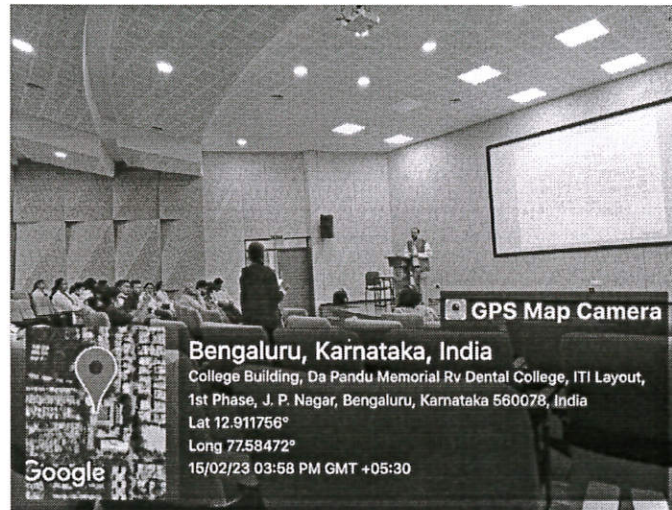

During the lecture, Dr. Chitnis shed light on the remarkable progress made in the field of Artificial Intelligence and Machine Learning, specifically within the healthcare sector. His presentation covered current applications and provided insights into the promising future prospects of these technologies.

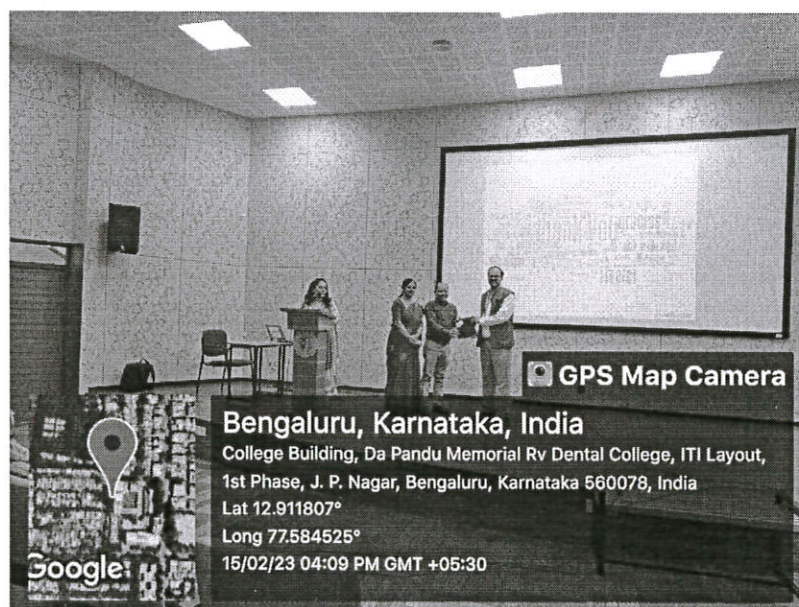

Principal
A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

Subsequently, a structured question and answer session ensued, during which participants brought forward their queries on Artificial Intelligence and Machine Learning. Dr. Sanjay Chitnis adeptly addressed these doubts, offering precise and insightful responses that contributed to the educational significance of the session.

Following the enlightening session, Dr. A. Anantharaj, Head of the Department of Pediatric and Preventive Dentistry, and Dr. Asha R. Iyengar, Principal, expressed their gratitude by presenting a token of appreciation to Dr. Sanjay for his significant contributions to the academic discourse. This gesture acknowledged his expertise and commitment to advancing knowledge in the domain.

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

To conclude the event on a convivial note, refreshments were extended to all attendees, fostering a sense of community and further discussion among the participants. The event proved to be a valuable platform for the exchange of ideas and insights into the ever-evolving landscape of Artificial Intelligence and Machine Learning.

Sub: report on Jagriti - Foundational Course for Clinical Care -2022-2023 (5th December - 7th December 2022)

Respected Madam,

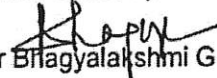

The program "Jagriti - Foundational Course for clinical care" was conducted from 5th December 2022 to 7th December 2022 followed by the White Coat Ceremony on 7th December 2022. We wish to thank you for supporting the Health Professional Unit in successfully conducting this program. A total of 65 Undergraduate students and 20 PG students benefited from the workshops.

The "Jagriti - Foundational Course for clinical care" program aims towards capacity building of our undergraduate students as they enter the clinics. This year, the Jagriti program trained the students in various important skills through Workshops on Ethics and Professionalism, Sterilization & Infection Control Practices, Prescription Writing and Communication Skills.

The Workshops were designed using the Kern's 6 steps of curriculum development, spread over 15 hours for 2.5 days from 5th December to 7th December 2022. The feedback and evaluation received from the undergraduate students indicate that the workshops were successful in instilling the core values of professionalism, skills of communication, fundamentals of sterilization and infection control practices and prescribing medications to patients. The 2.5 day program concluded with the White Coat Ceremony where students expressed their feedback on the training received and took the hippocratic oath.

The detailed reports of the workshops are attached along with the relevant photographs. We once again thank you for your constant support for the activities of the Health Professional Education Unit.

Yours Sincerely

Dr Briagyalakshmi G

Officer in Charge

Dr Deepti Vadavi

HPEU Coordinator

Attached:

1. Reports of 4 workshops with photographs
2. Attendance sheet of the 4 workshops
3. Circular for the program.

"Jagriti" – Foundational Course for Clinical Care for III year Undergraduates

REPORT ON ORIENTATION WORKSHOP ON BIOETHICS & PROFESSIONALISM

As part of "Jagriti"- Foundational Course for Clinical Care for III Year Undergraduates, an orientation workshop was conducted on 'Bioethics and Professionalism'.

Session conducted on: 05/12/2022 & 06/12/2022 from 9am to 1pm

Chief Patron: Dr. Asha R Iyengar, Principal, DAPMRVDC
Organizing Chairperson: Dr. Bhagyalakshmi G, Officer in Charge, HPEU
Program Coordinator: Dr. Deepti Vadavi, HPEU Coordinator
Internal Resource persons: Dr. Suma S , Dr. Sapna N, Members, HPEU
External Resource Person: Dr. D K Srinivas, Former Dean JIPMER, Curriculum Consultant RGUHS
No. of students participants: 67

The session was conducted in two batches of 33 and 34 students each, for 4 hours. The workshop encompassed the concept of Ethics, history, Belmont's principles, Professional competencies and stressed upon the need and use of ethics for dental professionals. The workshop included interactive presentation, small group activities, brain-storming, buzz groups discussions, pair and share and plenary sessions. It was designed to stimulate introspection, discussion and sharing of ideas. A feedback was obtained from the students at the end of the workshop.

Student feedback about the workshop:

1. 64.2% of the students have rated the session 10/10, and 22.6% rated it 9/10 indicating that it was very helpful.
2. The key factors which facilitated the learning process were:
 - a. Group activities
 - b. Illustration using many examples
 - c. Enthusiasm of the speaker
 - d. Interactive session, not a monotonous lecture
 - e. Experienced resource person gave lot of useful information
3. The take home messages identified by the students from the workshop
 - a. Ethical values – altruism, empathy, reflection and patient safety
 - b. Importance of accountability, reflection, code of conduct, confidentiality
 - c. Being professional, building trust with patients
 - d. To use ethics in daily life
4. Students were asked to rate their learning from the workshop by comparing their knowledge before and after the workshop with reference to 9 parameters. In all 9, the learning was highest (score of 10) after the workshop.

Jaagriti - Foundation Course for Clinical Care
Report on the Infection Control Practice Workshop
5th & 6th December 2022

At the outset, we would like to thank you for providing us the opportunity to continue with the Infection Control and patient safety workshop as a part of the Jagriti – Foundational Course for clinical care conducted for the Third BDS students during 30th November and 5th December 2022 to 7th December 2022

A brief outline of Infection control practices talk was given to 3rd BDS students on 30th November by Dr. Bharathi M B, head, HICC.

The workshop was conducted during the morning session (9:00 am to 1:00 pm) of 5th December 2022 and 6th December 2022. The entire Hospital Infection Control Committee worked as a team to make the workshop a success.

The workshop started with opening note on Infection control practices is important in dentistry by Dr. Deepti Vadavi to orient the students. This was followed by a series of activities conducted by all members of the infection control committee (Dr. Seema Patil, Dr., Dr. Archana , Dr. Sahana, Dr. Deepti , Dr Sindhu , Dr. Sudheer , Dr. Vinodhini, Ms. Kavyashree, Dr.Gouri) wherein a brief lecture was given by the respective resource person followed by providing students with various hypothetical situations and hands on experience on several aspects of infection control and patient safety. Activities covered included sterilization and disinfection , PPE wear , hand hygiene, measures to be followed during needle prick and hazardous material spillage, blood spillage and biomedical waste management.

The students enjoyed the workshop with active participation. The feedback report and photographs are attached.

5th - 7th Dec 2022

Background:

The Communication skills workshop has been running as a part of the Jagriti – Foundational Course for Clinical Care for the 7th Year now. This workshop was an outcome of the FAIMER project of Dr Jyotsna S in 2015-16. Subsequently the communication skills workshop was initiated in 2016. Mr. Raghothama Rao who is a Master trainer in soft skill development has been running the workshop as the Resource Person for this workshop for UG and PG students successfully. The HPEU coordinators for this year's workshop were Dr Sheela and Dr Jyothi.

On 7th Dec 2022, the workshop was held for the 7th year in succession.

Process:

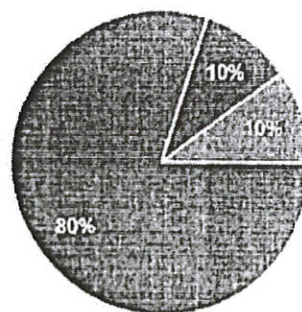

The third-year undergraduate students and first year postgraduate students were trained in the critical aspects of effective doctor -patient communication over a two hour period. The training session involved discussion and 5 hands on activities to drive the salient points home.

Feedback:

Qualitative and quantitative feedback was taken from all the participants.

Report on Prescription Writing Workshop

The Prescription Writing Workshop was planned as a part of "Jagriti – Foundational Workshop for Clinical Care". The idea was a brainchild of Dr. Jyotsna, taken forward by Dr Deepti Vadavi and the resource people were Dr. Deepak S, Dr. Sahana M S and Dr. Subhash B V. Kern's six step approach was used for designing this module.

Step 1: Needs assessment survey was carried out.

Survey process:

Informal discussion with faculty

Survey questionnaire with students

Number of participants:

Faculty – 3

Students - 67

Needs of the student:	Needs of staff	How will this be addressed?
Gap in theory and clinical application	What drug to take in which dental condition (indications)	Manual and activity
Not sure about correct dosages	Correct dosages of drugs	Pre-recorded video and manual
Not sure about the time of the day to administer the drug And interaction with food	Instructions on when to take and how to take Interactions of drugs with certain foods	Pre-recorded video and manual
Format of the prescription form Subscript and signature	Writing legibly (CAPITALS?) What details of the doctor should be included	Manual and activity

Step 2: Prioritization of the Objectives:

The following were the objectives of the program:

1. Talk about the format and order of the prescription.
2. To cover the routinely administered drugs; both systemic and topical agents.
3. To explain emergency drugs, when to use and what to use.
4. To discuss which is the appropriate drug to use in medically compromised patients.
5. To address the issue of antibiotic resistance.

Step 3: Educational Strategies

1. Manual (learning resource)
2. Pre-recorded video
3. Activity

Step 4: Implementation

1. A manual and pre-recorded video was prepared including all components intended to be covered in the workshop and was sent to the students prior to the workshop.
2. A newspaper article on antibiotic resistance was also sent to the patients.
3. 10 case scenarios were designed to present the students with real life situations. The students were divided into 10 groups. They had to write prescriptions and a self-appointed group leader had to present the same.
4. The resource person then discussed the nuances in prescription writing.

Step 5: Feedback collected from students showed:

1. Almost all of the students rated the usefulness of the program as a 10, with 1 being least useful and 10 being most useful.
2. In answer to the question on what about the module impressed them, they said:
 - a. The Practical implications of Pharmacology knowledge.
 - b. Instructions on the correct dosages of the drugs
 - c. Factors which affect the drugs prescribed in different situations.
 - d. Interactive sessions based on case scenarios.
 - e. Working collaboratively as a team.
3. In answer to the question about what facilitated their learning, they replied:
 - a. The interactive nature of the program
 - b. The exercise of writing the prescription on an actual prescription sheet.
 - c. Active participation and team work.
 - d. Informative slides and the detailed explanation by teachers.
 - e. Various case scenarios.
4. To the question on what was learnt which was application based, they answered:
 - a. Clinical application of Pharmacology

- b. Format of prescription
 - c. Do's and don'ts while prescribing
 - d. What to prescribe pre-operatively, post-operatively and in an emergency
 - e. Indications, contra-indications, precautions and dosing of drugs
 - f. Drug synergisms and antagonisms
 - g. Special needs of patients
 - h. How to give instructions to the patient and Hierarchy of prescribing drugs.
5. To answer the question on what they didn't understand in the workshop their reply was:
- No negative response. Everything was well explained in the entire session.
6. They gave the following rating for the questions:
- a. I can apply the information in my clinical setting: Majority said strongly agree
 - b. The presentation met my professional education needs: Strongly agreed.
 - c. The trainer actively involved me in the learning process: Strongly agreed
 - d. As a result of this training, I feel more confident in clinical examination, management and safety of patients: strongly agreed.
7. In any other comments and suggestions, we got the following suggestion:
- a. To conduct many more such interactive and informative sessions.
 - b. All the involved teachers and resource persons were good.

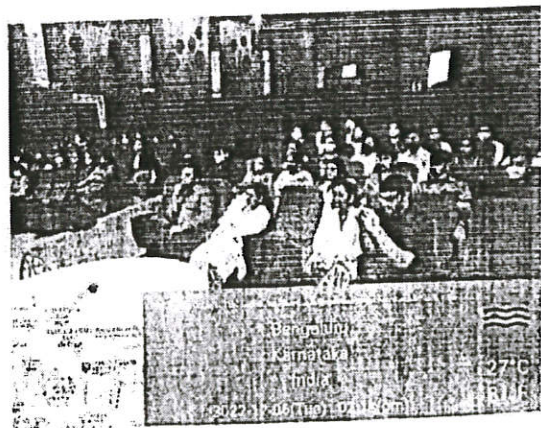

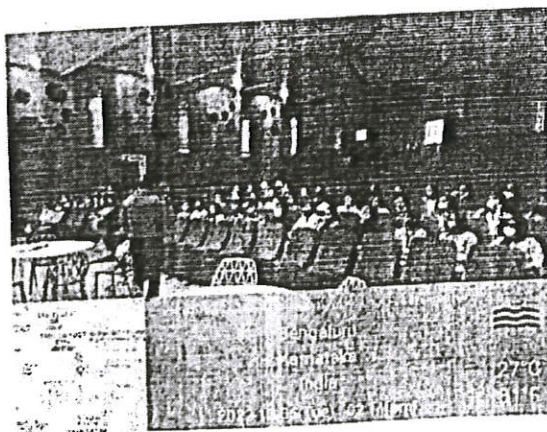

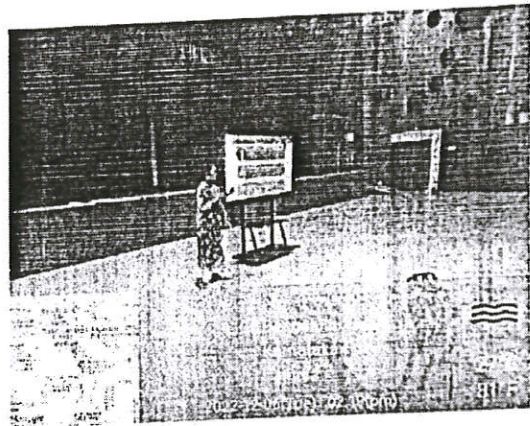

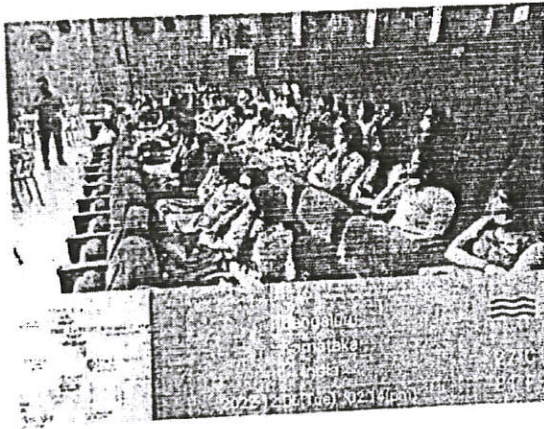

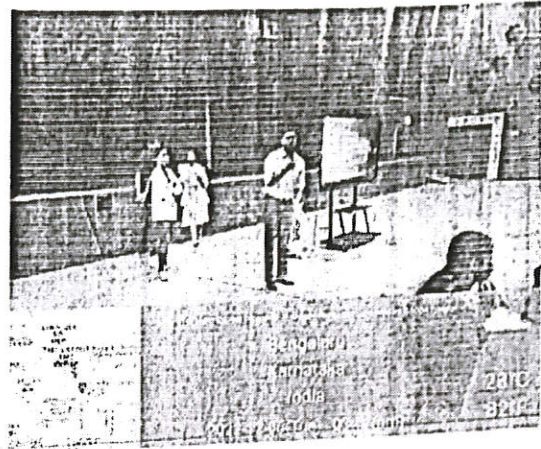

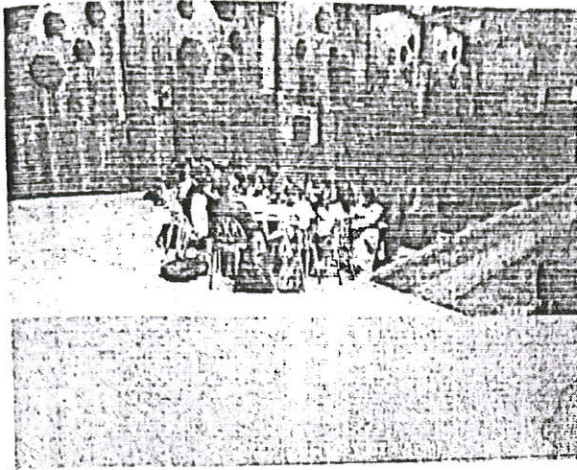

The comments were:

- a. They enjoyed the session.
- b. They found the program interactive and effective.
- c. They felt the module was informative and useful.
