Meeting Details: Students conveyed their concerns regarding -

1. Poor quality of food in the hostel for the past 3-4 years, which has not been addressed in spite of multiple letters and requests and the unhygienic condition at the hostel kitchen, making it uncomfortable to eat the prepared meal. They request that an option for lodging alone be made available without food.
2. They expressed difficulty in doing laundry. They hoped someone could be hired to do it on their behalf and that they are willing to pay for the service.
3. Students also conveyed difficulty in completing final year quota, due to insufficient patient availability and hoped for help with the same.
