REPORT OF DENTAL CAMP

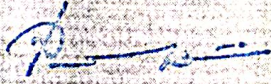

On October 30, 2023, the Department of Orthodontics and Dentofacial Orthopedics at D.A. Pandu Memorial R.V. Dental College, Bangalore, conducted a Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research, located in Muddenahalli. The camp, running from 10:00 AM to 3:00 PM, aimed to provide essential dental care to the local community at no cost.

A total of 78 patients were examined, including 10 new cases and 68 follow-up patients. The treatment was carried out by postgraduate students—Dr. Nishi, Dr. Jyolsna, Dr. Shahnaz, Dr. Mariam, and Dr. Mansi—under the expert supervision of Dr. Navya, Senior Lecturer in the Department of Orthodontics. The camp focused on offering high-quality orthodontic and dentofacial treatments, ensuring each patient received thorough care. This initiative not only addressed immediate dental needs but also promoted oral health awareness, contributing to the well-being of underserved communities.

REPORT OF DENTAL CAMP

On September 27th, 2023, the Department of Orthodontics and Dentofacial Orthopedics at D.A. Pandu Memorial R.V. Dental College, J.P. Nagar, Bangalore, organized a comprehensive Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research, located in Sathya Sai Grama, Muddenahalli. The camp, which ran from 10:00 AM to 3:00 PM, aimed to provide free dental care to individuals in the local community.

A total of 71 patients were examined during the camp, comprising 6 new cases and 65 follow-up patients. The dental treatments were carried out by a team of postgraduate students, including Dr. Aditya, Dr. Akshay, Dr. Yathin, Dr. Amrutha, and Dr. Chintan. These students conducted thorough examinations, diagnostic assessments, and offered a variety of orthodontic treatments. All procedures were performed under the expert supervision of Dr. Shraddha, Senior Lecturer in the Department of Orthodontics, ensuring the highest standards of care.

The camp focused on providing quality dental services free of charge, with a special emphasis on orthodontic and dentofacial care. The event was designed not only to serve the immediate dental needs of the community but also to educate patients on the importance of maintaining oral health and hygiene. By offering these services at no cost, the initiative demonstrated a strong commitment to supporting underserved populations and ensuring that everyone, regardless of financial status, has access to essential dental care.

Subject: In continuation to my previous letter of request to grant permission for 3 Days
Visit to Block Education Office Bangalore South.

Respected Sir,

In accordance with the above stated, I would like to request you to kindly allow me permission to attend 3 days visit to Block Education Office of Bangalore south to get an insight into how an education department system works under government of Karnataka. This would help me gain an insight into how to obtain permissions from authorities to perform my research work in schools of Bangalore South and also get information about various stakeholders for my research work.

This will also help me take my visit forward to community field visit for 3 days. Kindly grant me permission Sir and I shall be highly obliged.

Suggested date for the posting: 23/05/24, 24/05/24 and 25/05/24.

Subject: Submission of report of visit to "Block Education Office, BTM Layout South Block 3 on 24/05/2024"

Respected Sir,

With due respect, I would like to inform you that I have visited Block education office situated in BTM Layout which happens to be the South Block Education Office 3 on 24/05/2024 at 10.00 am to 1.00 pm.

As per my letter of communication made to you Sir on 15/05/2024, I was supposed to attend the visit for 3 days i.e. on 23rd, 24th and 25th of May but due to my ill health, I was not able to attend the visit on 23rd and 25th being a government holiday.

Here is the report of the visit on 24/05/2024:

1. Had the opportunity to meet Dr R.N. Shashikala Mam, acting BEO of South Block 3.
2. Interactive discussion with Mam regarding my Main Dissertation topic.
3. Active interest shown by Mam for participation in my thesis.
4. Assurance to give permission for conducting the thesis in 5 private schools of Bangalore South.
5. Collected information regarding the other Blocks in Bangalore South along with the resource person.

Take home message from the visit

1. Helped me provide an insight into the Block education offices of Bangalore South.
2. Good communication with a BEO helped me gain confidence in carrying out my thesis work.
3. Helped me gain insight into school administration in Government of Karnataka.

Thanking you,

Yours faithfully,

Respected Sir,

Subject: Submission of report on attending "Field Visit to Aster RV Hospital on 23rd April to 25th of April, 2024"

I would like to thank the Dept. of Public Health Dentistry, HOD Dr. Harikiran A.G. Sir and Dr. Deepti V Mam for giving me the opportunity to attend the posting to Aster RV hospital. The timings were from 10.00 am- 6:00 pm. Attended for 3 days i.e. 23rd, 24th and 25th of April 2024. I would also like to express gratitude to Mr. Shivprasad Shastri B, Deputy Manager- Human Resources, Mrs. Neelam Pagotra, Senior Manager, and Quality In-charge, Seema Dsouza, Quality Executive, Mr. Amareshwara Bhurke, Deputy Manager in patient In-charge of Aster RV Hospital for the immense support and guiding me throughout the posting.

MY PERSPECTIVE

- 1) It was a great initiative to gain insight into the intricate workings of healthcare.
- 2) Great experience on witnessing various medical specialties in action to understand the challenges and triumphs of patient care.
- 3) The dedications of healthcare professionals can leave a lasting impression providing insight into the complexities of modern medicine.
- 4) Inspired a deeper appreciation for the importance of quality healthcare.

TAKE HOME MESSAGE:

1. Recognizing the complexities and challenges within the healthcare system.
2. Learning opportunities abound, showcasing the hospital's role not only in treating patients but also in training the next generation of healthcare professionals
3. Importance of Quality team in management of a multisectoral corporate hospital.
4. Policies and protocols development in a hospital and how a team functions in incident management.
5. Procedures to be followed for Audits management in a hospital.
6. Public health perspective of hospital records management, health promotion, policy implications, disease surveillance.
7. Hospitals impact on public health and opportunities for collaboration to improve population health outcomes.

DRAWBACKS OF THE POSTING:

1. Time constraint as 3 days wasn't sufficient to provide in depth insight into the hospitals functions.
2. Was kept as an Observant only without any data entry work or any other related work.
3. Posted only in the Quality team without been posted in wards or any other department.
4. Could not get much exposure or contact with doctors working in the hospital.

Thanking you,

To
The Dean/Principal
All Dental Colleges

Respected Sir/Madam,

Sub: Signing of MoU for implementation of Dantha Bhagya Yojane.
Ref: Proceedings of the meeting held on 21/05/2015 under
the Chairmanship of Principal Secretary to Government,
Health & Family Welfare Department.

With respect to the above mentioned subject and reference, it was decided in the meeting to obtain the signatures of both parties for the MoU i.e. the designated person from Health & Family Welfare Department representing Government of Karnataka- first party, and Principal/Dean of the Dental College- second party, before implementation of Dantha Bhagya Yojane.

Therefore you are requested to send two signed copies of the MoU on its 200 stamp paper to our office by speed post within 1 week. After signing of the first party, one copy will be returned to you. It is also decided in the above said meeting that an advance payment of Rs 50,000 (for 100 dentures) will be transferred to your account.

Hence you are also requested to send a cancelled cheque leaf of your bank for NEFT (for transfer of money along with the signed two MoU copied (Please find attached copy of the MoU).

Yours sincerely

INDUSTRIAL VISIT TO TVS MOTOR COMPANY, HOSUR

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

The department of Pediatric and Preventive Dentistry, DAPM RV Dental College, organised an industrial visit to TVS Motor Company, Hosur as a culmination of the one year school oral health program that was conducted in association with the CSR wing of the company (Srinivasan Services Trust).

The team visiting the plant comprised of 25 members including faculty, Post graduate students from Dept of Pediatric and Preventive dentistry, alumni and non-teaching staff.

The faculty included:

- Dr A. Anantharaj, HOD, Dept of Pediatric and Preventive Dentistry
- Dr N. Kalavathy, HOD, Dept of Prosthodontics
- Dr Praveen. P, Professor, Dept of Pediatric and Preventive Dentistry
- Dr Murali. H, Professor, Dept of Conservative Dentistry & Endodontics
- Dr Anisha. S. Rao, Lecturer, Dept of Pediatric and Preventive Dentistry

The alumni included- Dr Pavithra Ravindra, Dr Aditya Keshav, Dr Nikhil Anantharaj, Dr Shwetha, Dr Nag Nachiket Patil, Dr Pooja P and Dr Naren R Parashar.

The field director from Srinivasan Services Trust, TVS Motor Company- Mr Kamalakannan, was also present.

The departure from campus was at 12.30 p.m as the visit was scheduled for 2 p.m. Post the visit, we arrived at the college at 6.30 p.m.

The industrial visit to TVS Motors Factory provided an insightful understanding of the manufacturing processes and technological innovations implemented by one of India's leading two-wheeler manufacturers.

Witnessing the intricate assembly line process showcased the attention to detail and precision engineering involved in manufacturing each vehicle. Exploring the quality control departments shed light on the importance given in ensuring provision of high-quality products to customers, ensuring safety and reliability.

The visit provided insights into the integration of advanced technologies such as automation, robotics, and digitalization in various stages of the manufacturing process, enhancing efficiency and productivity.

We also visited the health care centre of the company where we met the former Chief Medical Officer (CMO)-Dr Rajan Babu and the current CMO- Dr Ajith.

The industrial visit to TVS Motors Factory was a valuable learning experience, offering a comprehensive insight into the operations of one of India's leading automotive companies. In addition to this, it paved the way for a continued association with the company in conducting our school oral health programs in the future.
