Respected Sir,

Sub: Update on Dental Screening Camp conducted at Pointcross Life Sciences on
28th June 2024

As discussed, I am glad to inform you about the dental screening camp being conducted at Pointcross Life Sciences from 10.00am to 4.00pm. During this program, our team could screen eighty (80) employees. Out of 80, most of them had issues with 3rd molars (partially impacted & caries), few developmental disturbances such as, fordyce spots, talon's cusp, geographic tongue were noted. 50% of the employees complained about request oral ulcers. Further, few individuals have been referred to our hospital for their treatment. I acknowledge the support extended by the concerned students of our institution, in-charge employee & HR of Pointcross Life Sciences in smooth conduct of this dental screening camp.

Please find herewith attached few supporting photographs for your kind perusal.

Thanking you for your continued support.

Yours Sincerely

(Dr Gouri S Panchannavar)

STUDENT SUPPORT & WELFARE COMMITTEE

REPORT ON EYE CHECK-UP CAMP

Dates: 28/05/2024 & 29/05/2024

No. of participants: 304

An Eye check up camp was organized in D.A.P.M.R.V. Dental College and Hospital, Bengaluru on 28th and 29th May 2024. The camp was conducted by Shekar Eye Hospital, J.P. Nagar, Bengaluru, w.r.t to an email received from RSST.

The programme began with a talk on 'General Eye Care', by Dr. Harshita Nahata, Senior Ophthalmologist, Shekar Eye Hospital, Bengaluru on 28th May 2024 from 9.30am to 10am, in II Floor auditorium. All students (Undergraduate and postgraduate), teaching and non-teaching staff and Group D employees attended the talk. The talk was informative, well-received by the audience and encompassed routine eye care, common eye problems and general precautions to be taken.

The talk was followed by general eye check-up from 10am to 3.30pm on both the days, with a lunch break from 1pm – 1.30pm. A team of 4 from Shekar Hospital, including Mr. Muralidhara, Business Head - Institution, Shekar Eye Hospital, Bengaluru along with a co-ordinator and 2 senior optometrists conducted the camp efficiently, screening 304 participants. The participants included students, teaching faculty, office staff, non-teaching faculty, technicians, group D employees, Housekeeping staff and security personnel. After screening, the participants were referred to Shekar Eye Hospital for further consultation. All participants could avail a freeb consultation for themselves and two elders older than 50 years till 14th June 2024. Lunch, coffee/tea and refreshments were provided for the team on both the days. The entire team was thanked and presented with tokens of appreciation at the end of the camp.

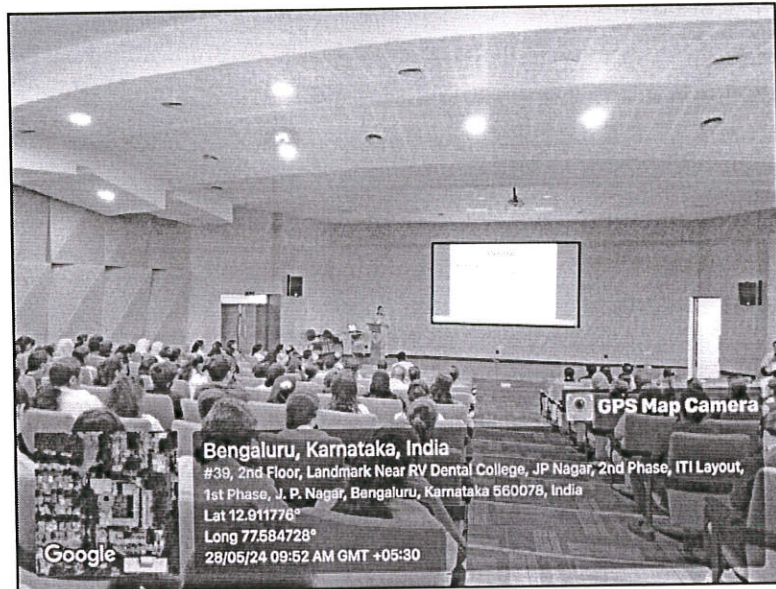

The organizing committee included Dr. Prashanth C.S (Principal), Dr. Suma S (Head, Student Support and Welfare Committee), Dr. Roopak M David (Member, Student Support & Welfare Committee, UG Committee), Dr. Supreetha S Naik (Member, Student Support & Welfare Committee, UG Committee), Dr. Vinodhini (Member, UG Committee), Dr. Sahana M.S. (Member, Staff Welfare Committee). Two intern volunteers Ms. Keerthana R and Ms. Prajna assisted the organizing committee efficiently. Mr. Muralidhara was the co-ordinator from Shekar Eye Hospital, Bengaluru.

REPORT OF DENTAL CAMP

On June 30th, 2024, the Department of Orthodontics and Dentofacial Orthopaedics at D.A. Pandu Memorial R.V. Dental College, Bangalore, organized a Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research in Muddenahalli. Held from 10:00 AM to 2:00 PM, the camp aimed to provide free dental care to the local community.

A total of 105 patients were treated, including 9 new cases and 96 follow-up patients. The treatment was carried out by postgraduate students—Dr. Nishi, Dr. Imdad, Dr. Yathin, Dr. Chintan, and Dr. lekshmi—under the expert supervision of Dr. Shraddha, Senior Lecturer in the Department of Orthodontics. The camp primarily focused on delivering high-quality orthodontic and dentofacial treatments, ensuring that each patient received comprehensive care. In addition to addressing immediate dental needs, the camp also helped raise awareness about oral health, benefiting the well-being of the underserved community.

REPORT OF DENTAL CAMP

On September 27th, 2023, the Department of Orthodontics and Dentofacial Orthopedics at D.A. Pandu Memorial R.V. Dental College, J.P. Nagar, Bangalore, organized a comprehensive Dental Treatment Camp at the Dental Wing of Sri Madhusudhan Sai Institute of Medical Sciences and Research, located in Sathya Sai Grama, Muddenahalli. The camp, which ran from 10:00 AM to 3:00 PM, aimed to provide free dental care to individuals in the local community.

A total of 71 patients were examined during the camp, comprising 6 new cases and 65 follow-up patients. The dental treatments were carried out by a team of postgraduate students, including Dr. Aditya, Dr. Akshay, Dr. Yathin, Dr. Amrutha, and Dr. Chintan. These students conducted thorough examinations, diagnostic assessments, and offered a variety of orthodontic treatments. All procedures were performed under the expert supervision of Dr. Shraddha, Senior Lecturer in the Department of Orthodontics, ensuring the highest standards of care.

The camp focused on providing quality dental services free of charge, with a special emphasis on orthodontic and dentofacial care. The event was designed not only to serve the immediate dental needs of the community but also to educate patients on the importance of maintaining oral health and hygiene. By offering these services at no cost, the initiative demonstrated a strong commitment to supporting underserved populations and ensuring that everyone, regardless of financial status, has access to essential dental care.

SANRAKSHAN CAMP REPORT- 16/03/2024

A free health screening camp was organized on 16th March 2024 by Doctors for Seva (a NGO formed by Doctors) , a residential school for children, in Huskur, Electronic city at GR Homes, Rayasandra Kalika Kendra, in association with Youth for Seva between 11 am to 3 pm.

The health camp included services of Pediatrician, Dermatologist, Immunologist, Dentists, and Gynecologist.

The camp included various aspects of healthcare, in which 90 students received thorough screening of blood grouping and hemoglobin assessment. General health checkup was done by Dr Sabiha from DHEE Hospital, 5 interns from Dayananda Medical College and dental checkups were done by 6 postgraduates and interns of RV Dental College. Dermatologist Dr Sunil Kumar was present; apart from these services, awareness about menstrual hygiene, genital hygiene was provided to empower young girls with essential knowledge and they also received Ruthuchakra book equipping them with valuable insight; oral hygiene instructions was provided to the students. Free general medicine was also distributed. On conducting this camp we noticed lack of general hygiene awareness and anemic cases was present amongst girls.

Such camps help us in understanding the overall oral health awareness and conditions in a particular locality/environment. It was a nice learning experience to all of us.

Travel expenses and lunch was provided by the organizers.

We are grateful to our Principal Dr. Prashanth C S, Youth for Seva, coordinator Dr K Supreetha S Naik and Dr Nirupama who was the organizer team member from Youth for Seva.

Request for Support in Conducting Free Dental Screening Camp at G R Children Home

Dr. Nirupama Manjula <nirupama.hs@doctorsforseva.org>

13 March 2024 at 15:54

To: principal.rvdc@rvei.edu.in, Dr KS Supreetha Naik <supreetha.rvdc@rvei.edu.in>, Anantharaj A <dranantharaj@gmail.com>

Cc: Vinayaka Ahobala Shastri Jois <vinayaka.s@doctorsforseva.org>

Namaskara Principal sir,

Greetings from Doctors for seva!

I hope this email finds you well. I am writing to seek your support for a noble cause that aligns with our shared commitment to community service and children's welfare.

We are planning to organize a free Dental Screening Camp at G R Children Home, located at Raysandra, Huskur Road. The objective of this camp is to provide essential dental check-ups and treatments to the children residing there, ensuring their oral health and overall well-being.

To facilitate this initiative, we would like to request the use of the college's mobile dental van and your Dental Team. This will enable us to conduct thorough screenings and, if necessary, provide immediate treatment to the children identified with dental issues.

I have taken the responsibility to obtain formal consent from G R Children Home to perform treatments using the mobile van. Additionally, we seek your assistance in ensuring that written consent is obtained from the caregivers or parents of the children identified for treatment on the day of the camp. This step is crucial to maintain transparency and adhere to the required legal protocols.

Please rest assured that a formal letter from G R Children Home, detailing the arrangement and consenting to the proposed services, will be sent to you shortly.

We believe that this camp will not only aid in improving the children's dental health but also serve as an educational experience, emphasizing the importance of oral hygiene. Your support in this endeavor would be invaluable and greatly appreciated.

Thank you for considering our request. I look forward to your positive response and am available for any further discussion or clarification you may require.

SANRAKSHANA CAMP REPORT- 10/03/2024

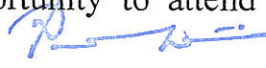

We had the privilege to attend a camp organized by Doctors for Seva, a branch of Youth for Seva, on the 10th of March, 2024. It was led by Dr. Nirupama Manjula.

The screening camp was held at Sanrakshana Rainbow Home, located in Rajajinagar, Bangalore. The facility provided residential schooling to about 60 girls. The children were aged between 6-16 years. Girls from less privileged backgrounds and broken homes were handpicked and are being provided with education and support to lead a successful life. The school aims to provide counseling and aid to students until they become financially independent.

The camp included various aspects of healthcare, including general health checkups, blood grouping, hemoglobin testing, and dental checkups. Apart from these, awareness about menstrual hygiene and oral hygiene was provided to the students. The oral health education was given by the volunteers from DAPM R V Dental College. Oral screening was done by both interns from our college as well as interns from Dayananda Sagar Dental College.

Overall, it was an enriching experience to work with a multifaceted team of doctors. The students were very enthusiastic to learn. It was also nice to see the art and craft work that the children had made in their school. Each of us was also given handmade cards made by the children along with roses, which was very touching.

We extend our gratitude to the principal, Dr. Prashanth C S Sir, and Dr. K Supreetha S Naik Madam for providing us with the opportunity to attend the camp.

Namaskara!

We are excited to announce a Health Screening Camp at Sanrakshana Rainbow Home, Rajajinagar, scheduled for 10th March 2024. The camp will feature a range of vital services including Blood Grouping for children, General Health Check-ups, Menstrual Hygiene Awareness sessions, distribution of the 'Ruthuchakra' book, and First Aid Training for caregivers. To ensure the success of this important event, we are seeking both professional and general volunteers who are passionate about making a difference in the community.

Your support can make a significant impact on the lives of many. Thank you!

D A PANDU MEMORIAL R V DENTAL COLLEGE
CHIGURU-21/01/2024

4275/28-24
20/1/24

CHIGURU a wonderful cultural event organized by Youth for Seva for the students studying in government schools across Bengaluru "Chiguru 2023-2024" conducted by Youth for Seva, Bengaluru on 21st January 2024, in Rahtrottana Vidya Kendra.

The camp had over 3000 school children where each one had overwhelmingly participated with enthusiasm in many competitions. The event began at 9 am in the morning until 3pm in the afternoon.

There were all together 18 interns from different colleges who were well trained to handle emergencies. The team was headed by Dr Nirupama, Dr Nagbhusan and Dr. Jyothilakshmi.

There were a total of 6 interns from D A Pandu Memorial RV Dental College. All the interns were divided into teams with each team stationed in each floor well-equipped with all the materials required including drugs, band aid and masks.

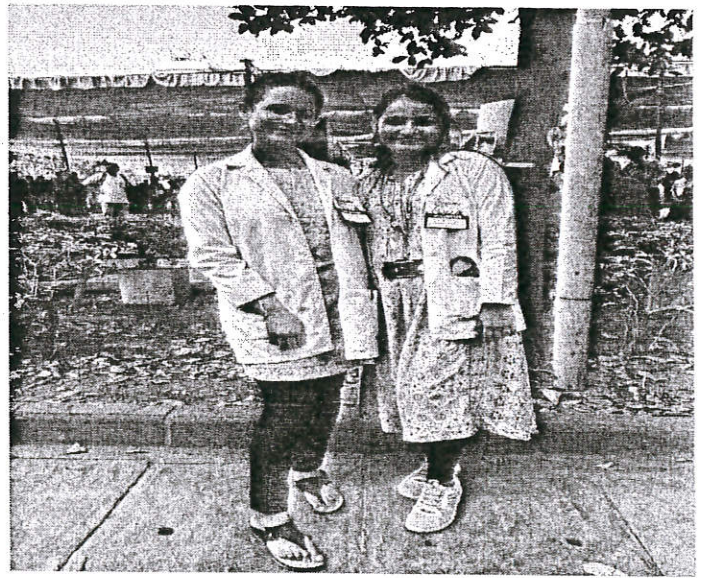

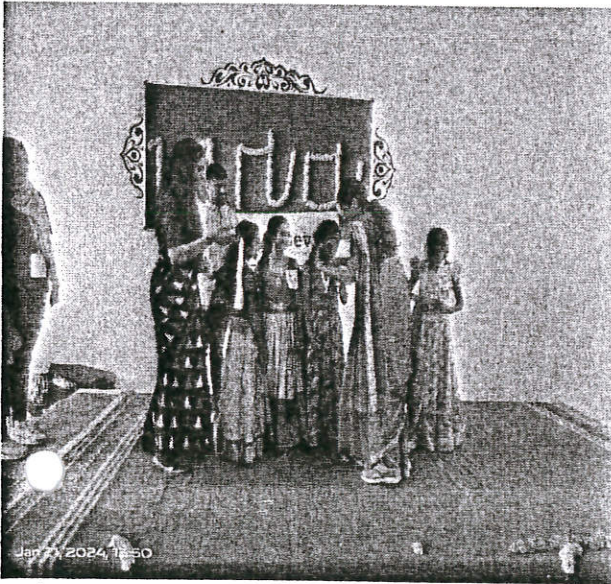

Doctors team made sure that each child enjoyed the event without any trouble and were always ready to handle any emergencies be it episode of epistaxis or stomach pain.

Few of the emergencies encountered during the camp were dehydration, fainting, vomiting, headache, episodes of epistaxis, small cuts and mehendi allergy which were very well handled by the team.

The camp also helped blossom new friendship among the budding and aspiring doctors. Doctors for seva, as they call worked very effectively and efficiently for a good cause.

We were grateful to our Principal Dr. Prashanth C S and our Youth for Seva coordinator Dr K Supreetha S Naik to give the Interns the golden opportunity to volunteer at this amazing event.

Namaskara Principal sir,

Greetings from Doctors for seva!

On behalf of the entire CHIGURU team, I would like to express our sincere gratitude for the invaluable support extended by your college in facilitating the participation of your medical students in our Health Committee.

We look forward to continuing this collaborative journey and creating more opportunities for meaningful engagement with your college students. If there are any specific ways in which we can further enhance our partnership or if you have any feedback, please feel free to share. Your input is highly valued.

Once again, thank you for your unwavering support. Together, we can make a lasting difference in community health, and we are excited about the positive impact we can create in the future.

CAMP REPORT- 20/08/2023

On 20th August 2023, Sunday, a health camp was organized by Doctors for Seva (a NGO formed by Doctors), in Sanrakshan Rainbow Home, a residential school for children, in Rajajinagar, in association with Youth for Seva between 10 am to 2 pm.

The Health camp included Pediatricians, Ophthalmologist, Immunologist, Gynecologist and Dentist.

The Dental team had setup an oral screening camp with Diagnostic instruments and other necessary materials provided by the college. About 55-60 children were screened aged between 5 to 19 years. Oral hygiene instructions were given to each and every screened child. The overall oral health of all the children was satisfactory.

Such camps help in understanding the oral health awareness and conditions in a particular locality/ environment. It was overall a nice learning experience to all of us.

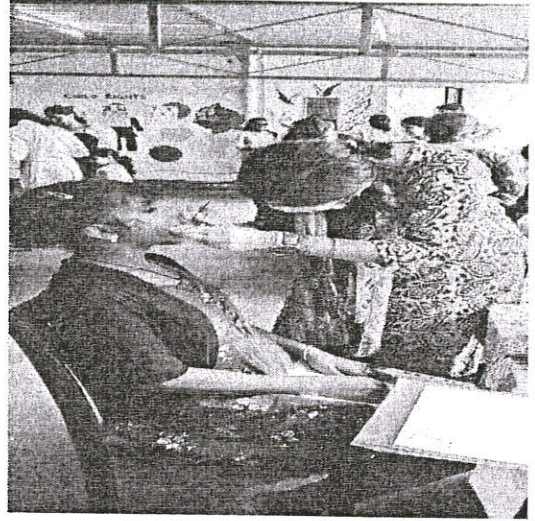

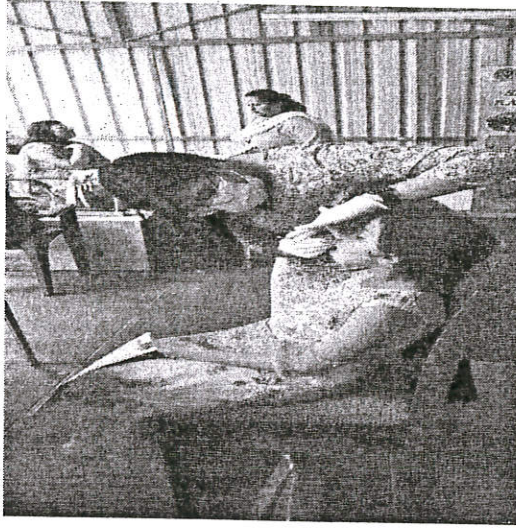

Travel expenses, Refreshments and Lunch were provided by the organizers.

We were grateful to our Principal Dr. Prashanth C S and our Youth for Seva coordinator Dr K Supreetha S Naik for giving this opportunity to take part in this event.

List of students who took part in the camp

SI No.	Student Name
1	Dr. Sandhya Harichandana
2	Dr Dharika
3	Dr. Geetanjali
4	Dr Spoorthi

**GANESHA CHATURTHI 2023
REPORT**

Ganesha Chaturthi was celebrated on 20th September 2023 in Sri Sivananda Sarma Auditorium. A pooja was organized at 9.30am, followed by prasadam distribution. Lunch was arranged for the entire institution at 12.30pm. At 4pm, arathi was followed by visarjane. The entire institution, including teaching faculty, non-teaching staff and students followed an ethnic dress code and enthusiastically participated in the festivities.
