### **DEPT OF ORAL MEDICINE AND RADIOLOGY**

The department of Oral Medicine and Radiology D A Pandu Memorial R V Dental College, Bangalore organized a workshop title “Training Workshop on Tobacco Deaddiction Therapies” on 21<sup>st</sup> March 2024.

**Title:** “Training Workshop on Tobacco Deaddiction Therapies”

**Venue:** 2<sup>nd</sup> Floor Auditorium, D A Pandu Memorial R V Dental College, Bangalore

**Date:** 21<sup>st</sup> March 2024.

**Guest Speaker :** Dr Nilam Gada

**Duration :** 10am to 1pm

#### **Program Details:**

On the 21st of March 2024, the Department of Oral Medicine and Radiology at D A Pandu Memorial R V Dental College, Bangalore, organized a significant workshop titled "Training Workshop on Tobacco Deaddiction Therapies." The workshop aimed to address the critical issue of tobacco addiction and equip attendees with knowledge and skills necessary for effective tobacco deaddiction therapies. The workshop commenced promptly at 10:00 am in the 2nd Floor Auditorium of the dental college. It began with an introduction by the organizing committee, outlining the objectives of the workshop and its importance in combating tobacco addiction.

Dr Priyanka (PG, Dept of OMDR) gave the invocation song and Dr Devopratim Biswas (PG, Dept of OMDR) was the moderator for the session.

Dr Nilam Gada’s presentation shed light on the detrimental effects of tobacco on oral health, emphasizing the urgency for intervention. She elaborated on pharmacological interventions, discussing various medications and their efficacy in aiding tobacco cessation. She focused on behavioral therapies, emphasizing the importance of counseling and support systems in overcoming addiction.

The Training Workshop on Tobacco Deaddiction Therapies was a huge success, providing attendees with comprehensive knowledge and resources to combat tobacco addiction effectively. The collaborative efforts of the Department of Oral Medicine and Radiology, along with esteemed speakers, contributed to the workshop's success in raising awareness and promoting strategies for tobacco cessation.

**DEPT OF ORAL MEDICINE AND RADIOLOGY**

**Program 1**

The department of Oral Medicine and Radiology D A Pandu Memorial R V Dental College, Bangalore organized a program in spreading awareness on Tobacco and its ill effects at RV PU College, Bangalore.

**Title:** "Training Workshop on Tobacco Deaddiction Therapies"

**Venue:** RV PU College, Bangalore

**Date:** 31<sup>st</sup> May 2024

**Duration:** 11am to 12:30 pm

**Program Details: Report on Tobacco Awareness Program at RV PU College, Bangalore**

The Department of Oral Medicine and Radiology at D A Pandu Memorial R V Dental College, Bangalore, organized an awareness program focused on the ill effects of tobacco. The event, held at **RV PU College, Bangalore**, aimed to educate and inform students aged 15-18 years about the dangers of tobacco use and the tactics employed by the tobacco industry to target young individuals. The program was aligned with this year's World Health Organization (WHO) theme, "Protecting Children from Tobacco Industry Interference."

The event featured three speakers who covered various aspects of tobacco awareness:

1. Dr. Shriyanka: Delivered a talk titled "Say No to Tobacco."
2. Dr. Usha: Discussed "Tobacco and Its Ill Effects."
3. Dr. Ashwini (Post Graduate): Spoke on "De-Addiction."

The program emphasized the WHO theme, "Protecting Children from Tobacco Industry Interference," by:

Highlighting the deceptive marketing strategies used by the tobacco industry to target young people. Educating students about their rights and the importance of staying informed to protect themselves from such tactics. Encouraging the community to take collective action against tobacco industry interference in public health policies. The awareness program successfully engaged the students of RV PU College, providing them with valuable knowledge about the dangers of tobacco use and the importance of making healthy choices. The initiative by the Department of Oral Medicine and Radiology at D A Pandu Memorial R V Dental College, Bangalore, was a commendable effort in contributing to the global fight against tobacco.

Dear Sir,

I hope this email finds you well. My name is Dr Bharath from Group Pharmaceuticals, and I am writing to propose a one-hour educational session on the benefits and proper usage of 1000ppm fluoride toothpaste in pediatric dental care for postgraduate students along with faculties in the Pedodontics department at D. A. Pandu Memorial RV Dental College.

Objective:

- Provide insights into the significance of fluoride in pediatric dental care.
- Discuss the advantages and safety considerations of 1000ppm fluoride toothpaste.
- Introduction of Pediflor 1000

We kindly request confirmation of the proposed session at your earliest convenience. Additionally, we are open to any specific preferences or adjustments to the proposed agenda to better align with the department's objectives.

Thank you for considering our proposal. We look forward to the opportunity to contribute to the Pedodontics department at D. A. Pandu Memorial RV Dental College.

With regards,  
**Dr Bharath**

**Pediflor 1000**

How 1000 ppm fluoride toothpaste is beneficial for kids

- **Preventing Tooth Decay:** It helps to repair early stages of tooth decay before cavities form.
- **Strengthening Tooth Enamel:** This helps protect teeth from decay and erosion.
- **Safe and Effective Concentration:** A concentration of 1000 ppm is considered safe and effective for children.
- **Reducing the Risk of Early Childhood Caries:** Fluoride toothpaste, when combined with regular dental check-ups, a balanced diet, and proper oral hygiene, can significantly decrease the risk of ECC.

## REPORT on CDE program: "TADS in Orthodontics – Current Concepts"

The Department of Orthodontics organized a CDE program for MDS (Orthodontics) students on October 25th, 2023, focusing on the topic "TADS in Orthodontics – Current Concepts." The lecture was presented by Dr. Meenakshi Balakrishnan, an international speaker with 18 years of experience as a private practitioner in Downers Grove, Chicago. She is also a visiting lecturer at the University of Illinois, Chicago.

During the session, Dr. Balakrishnan provided a detailed and insightful presentation on the use of Temporary Anchorage Devices (TADs) in orthodontic treatment. The lecture included a series of case reports, offering practical insights into the clinical applications of TADs and their role in contemporary orthodontic practice.

The CDE program was attended by 25 postgraduate students, including both current MDS students and alumni from RV Dental College. The session was well-received, with active participation and engagement from the attendees.

## Report on CDE Program: Orthodontic Biomechanics

The Department of Orthodontics and Dentofacial Orthopaedics at D.A.P.M. RV Dental College conducted a CDE program, featuring a series of lectures by Dr. Nanda Kumar. This program focused on Orthodontic Biomechanics, covering essential principles of biomechanics and their clinical applications in orthodontics.

The program began with a series of **three online sessions**, held on **November 6th, 9th, and 19th, 2023**. These sessions provided participants with an in-depth understanding of the fundamental mechanics of tooth movement and orthodontic force systems, the basics of tooth movement mechanics and the forces involved in orthodontic treatment, An overview of various orthodontic force systems and their clinical applications.

The **offline lecture on December 30th, 2023**, provided a more interactive experience. In this session he provided insights into the role of biomechanics in treatment planning and achieving optimal clinical outcomes, showed treated cases, provided practical examples of how biomechanical principles are applied in clinical practice. The session allowed participants to discuss specific challenges and solutions in orthodontic biomechanics.

Around 35 MDS students participated in this CDE program, including postgraduate students from RV Dental College and V.S. Dental College. The program was highly engaging and provided valuable educational insights into the biomechanics that underpin successful orthodontic treatments.

Dear All,

We have newly configured the "**Trainee/Contract and Probation Period End Date Report**" automatic reporting in SF.

Now the institution admins will automatically get an email monthly regarding the details of Trainee/Contract/Probation period end date report.

**The report will be generated at 10:30 AM & 15th of every month.**

With this process henceforth RSST HR and Institution HR Admins can monitor the data. We request institution HR Admins to go through these reports and take required actions as per the regular process.

In case of any clarifications please contact the RVIC HR core team.

Dear Team,

Please note we will be launching the **Mid Year Assessment forms in Dec 2024** and we need to have all employees to complete the Goal Setting activity for the same.

Request you to please inform all the employees at your institute to set their Goals and get the same approved by their Reporting Managers ASAP.

Request to inform the Reporting Managers to check on the weightages of the Goals set by their Team Members (has to be = 100% only) before approving the same.

### NOTE:

- Any employee on deputation (Outside RV) should be intimated via mail to the RVIC HR Team.
- Any employee who is on Maternity Leave / EOL / Study Leave etc. and has worked in the institution for a minimum of 3 months (during the current PRISM cycle) will be part of this PRISM cycle.

Institutions whose employees have completed this activity can ignore the mail.

Thanks & Regards,
